SHRINERS' WORSE THAN DEM CONFLAB DECLARES ROGERS

(Special to The News)

BEVERLY HILLS, Cal., June 4.—We crossed states yesterday just like you cross intersections — Texas, New Mexico, Arizona and California. In to the airport at 4 in the afternoon.

After being away a long time, how can anyone stand to come home any other way?

I never saw as much airplane activities in my life as I have seen from St. Louis west. Millions of dollars being spent on fields and hangars and equipment.

Well, what do you think I come home and run into? The Shriners' convention is being held in Beverly Hills this year. It's worse than a Democratic convention.

I haven't seen any papers. Did congress help anybody yet?

Yours,
WILL.

PA NEW OBSERVES

Another slight frost was observed throughout the county last night, but no damage resulted. The temperature was down to 35 this morning and there was a heavy dew.

Detour used from the end of Highland avenue to Walpole is being used by the State Highway Department today. This will be a fine improvement, as the detour has made travel rather hazardous at times. The road to Coalton and then left across to Walpole is being used while the detour is being used.

Seniors who are graduated from the local high school on Thursday evening of this week will get diplomas just one fourth the size of certificates presented in the past. The adoption of the new type certificates was approved at a recent meeting of the board of education, effective this graduation.

"Booklet" diplomas are what they are termed because a cover goes with them. A number of local colleges have used them for years.

According to official weather reports, yesterday was the coldest June 3 on record for this area. The nearest approach to the record of yesterday was in 1888.

This is evacuation day at New Wilmington. With the college commencement exercises on Monday afternoon, and the closing of school for the summer, the 800 students and scores of visitors in the town are departing for their homes today.

Pa News glimpsed the new paper money which will be issued on July 10th. The bills are cute little things and about the size of the old-fashioned "skin-plasters" that were used during the Civil war.

Some of the squirrels which live in the trees around the Cathedral seem to be afflicted with wanderlust or a sense of curiosity. Pa News observed one of the little fellows at the corner of Mercer and North streets yesterday.

New Castle gardeners are up to their neck in making garden now, and if the present favorable weather continues, a lot of New Castle citizens are going to eat nice fresh vegetables this summer.

Pa News noticed the campaign managers of the Cathedral refraining campaign were in a jubilant frame of mind this morning. The Cathedral campaign is getting started with a rush, and every indication points to the entire sum of \$1,800.00 being subscribed before the end of the month. And that will be some accomplishment.

Daily Weather Report

Weather statistics for the 24-hour period ending at five o'clock this morning furnished by U. S. Weather Observer B. J. Johnson at the New Castle Water Co. pump station follow: Maximum temperature, 62. Minimum temperature, 35. Precipitation, 0.1 inches. River stage, 3.4 feet. Stationary.

King George Accepts Resignation Tendered By Premier Baldwin

Laborites In Power, Premier

J. Ramsay MacDonald Likely

(International News Service)
WINDSOR, Eng., June 4.—Premier Stanley Baldwin today tendered the resignation of his Conservative cabinet to King George, and the king accepted it. King George, who is ill, received the premier while lying in his bed.

The Conservative party had been in power for slightly more than four and one half years. The Labor party will now come into control by virtue of the big gain in parliamentary power made by that party in Thursday's general election. While the laborites will not have a clear cut majority in the new House of Commons, they will have more seats than any other party.

Ramsay In Spotlight
It was expected the king would immediately summon J. Ramsay MacDonald, leader of the Labor party, and commission him to form a new government, with himself as premier.

However, it was understood that the king's medical advisors believed it would not be advisable for the ailing monarch to bear the strain of a second interview today. It was regarded as probable that Mr. MacDonald would not be received by King George until tomorrow.

Mr. MacDonald was premier of the

BREAKS DOWN IN
STIFF GRILLING

(International News Service)
PHILADELPHIA, June 4.—Breaking down following a severe grilling by State Trooper Christ and Police Chief Harry Rhoades that lasted from Monday afternoon until 2 a. m. today, Mrs. Eleanor Kavates, 49, confessed to fatally shooting Tony Thompson, 27, year old boarder, found dead in a pool of blood in the woman's bedroom yesterday, Rhoades revealed today.

"I shot him in self defense," Mrs. Kavates sobbed.

Mrs. Kavates charged Thompson attempted to attack her shortly after her husband had left Sunday night for Essington where he is employed as an engineer on a private yacht. The boarder was killed by a shot through the right temple.

The pistol used to fire the fatal shot was discovered hidden under the carpet in another room by Coroner John J. Sweeney, of Bucks county.

Discovery of the weapon and the woman's alleged confession completed the last links in the mystery surrounding the shooting, Mrs. Kavates will be arraigned some time today before Justice of the Peace Luckenbill, Rhoades said.

Mrs. Kavates had first asserted Thompson committed suicide.

CHARLESTON, W. Va., June 4.—Millard Morrison, 24, a New Jersey auto tourist, today was under sentence of death by hanging following his conviction by a jury of first degree murder in connection with the death of Frank Bowen, filling station proprietor here.

The jury in intermediate court deliberated but nine minutes in arriving at its verdict, which made the death sentence mandatory. Judge Henry K. Black fixed the date of execution as Friday, Sept. 13, next.

Immediately upon the conclusion of Morrison's trial Walter Willmot, his companion on the automobile tour, was arraigned on charges of slaying Bowen.

GRILLED IN MURDER

Mrs. Catherine Cassler, 41, a former leader in the W. C. T. U., who was once sentenced to death for murder, has been grilled by detectives at Valparaiso, Ind., in connection with the slaying of Cameo Soutar, 24, her husband's housekeeper, whose body was found in a swamp near Hebron, Ind. Mrs. Cassler was freed from jail a month ago in a new trial after a two-year imprisonment in connection with the slaying of William Lindstrom, a cabinet maker.

VALPARAISO, Ind., June 4.—A petition for a writ of habeas corpus in behalf of Mrs. Catherine Cassler, held here in connection with the death of Miss Cameo Soutar, whose body was found with a bullet through the heart in an Indiana swamp, was denied here today by Judge Grant Crumpacker in the circuit court.

Judge Crumpacker indicated in refusing the petition for the writ that Mrs. Cassler would be asked to take the stand when the inquest was resumed today. Mrs. Cassler has been denied consultation with lawyers.

Coroner Ebbo H. Miller contending he has the right to interrogate all witnesses before they are "influenced by outside agencies."

Mrs. Cassler was to be questioned concerning an alleged visit made at her home last Monday by Miss Soutar, who was said to have been friendly with the husband of Mrs. Cassler while she was in prison under a sentence of death in connection with another murder.

Two Brothers Meet Death By Flames

(International News Service)
CANNONSBURG, Pa., June 4.—Fatal services were to be arranged today for Wilbur and Howard Krenn, victims of an explosion while at work on their father's farm last Friday.

Wilbur 15 and Howard 11, were drawing oil from a tractor when an explosion believed caused by a lantern, set fire to their clothing. The brothers were rushed to the hospital here but were so badly burned they succumbed last night.

Besides their parents, who live near McDonald, 12 miles north of here, one brother and three sisters survive.

REFUSES TO ACT

W. Sherman Burns Must Pay
\$1,000 Fine; Sinclair Gets

Washington, June 4.—The

"auto a block long" is going to roll up to the district jailhouse about a month from today and unload some company for Harry F. Sinclair, pharmacist-extraordinary to the institution. The visit is to be a four-month affair.

For that dashing soldier of fortune, Henry Mason Day is going to join his boss. It will take 25 days, not counting Sundays for the supreme court's mandate to reach the court that originally sentenced him.

Day will have company as far as the marshal's office in the person of W. Sherman Burns who is to be relieved of \$1,000 under the same mandate, but he will have to get along without the presence of William J. Burns. The supreme court ruled the 15-day sentence of the elder detective out on the ground no evidence had been adduced he actually participated in the jury-shadowing episode that resulted in the downfall of Day and young Burns.

And by token of the privilege of his lieutenant's company, Sinclair's own stay in the jail is going to be increased by a matter of from four to six months depending upon the court's interpretation of the verdict. He was to have gotten out on July 20, but Thanksgiving turkeys will be on sale before he sees the unblemished light of day again.

Oxer-Anxious.
It all grew out of Sinclair's over-anxiety when he and former secretary of the interior Albert B. Fall were standing trial for criminal conspiracy in connection with the leasing of the naval oil reserves. The oil baron called in Day and instructed him to have the jury shadowed. Day put the William J. Burns detective agency on the job.

The federal prosecutors found it out and almost simultaneously a newspaper reporter came forward and told of a conversation he had had with one of the jurors in a local speakeasy in which the juror speculated on the possibility of "getting an auto a block long" out of the case.

Sentences Upheld.
Justice F. M. Siddons immediately declared a mistrial and U. S. Attorney Leo Rover successfully prosecuted them for criminal contempt of court. (Continued On Page Two)

BISHOP WELSH IS
ORATOR OF DAY

Internationalism and consideration for all humanity was the keynote of the Westminster College commencement in the United Presbyterian church, New Wilmington, yesterday afternoon when 100 seniors received degrees and six men were honored with honorary degrees.

From the first speech of the afternoon, that of Paul Robinson, salutatorian of the class, in the final words spoken to the class by President W. Charles Wallace, this one note stood out. More than this, two of the men who received honorary degrees were born in Europe; one in Ireland and one in England.

Paul Robinson, New Wilmington salutatorian of the class, was the first speaker. Calling on his classmates and the audience to look to the inner man before passing judgment, Robinson pointed out that all men are very much the same, but that fear and pride make them appear different. "The timid man allows fear to dominate him; the shallow man hides behind pride," said Robinson.

Washington, June 4.—A pro-
gram for passing the new tariff bill through the senate by November 1 and of finally enacting it into law by November 20 was proposed today by administration leaders as the next step in giving congress an all-summer vacation.

If this program is accepted by insurgents and Democrats—which is entirely likely—congress will go home from about June 11 to September 9 while the senate finance committee works with the tariff. The new tariff relief bill, however, must be placed on the statute books before the certain rings down on the first half of the special session, which President Hoover called to solve the farm and tariff problems.

NEW YORK, June 4.—Colonel and Mrs. Charles A. Lindbergh, America's elusive bridal couple, took the advice of the late O. Henry, and lost themselves in a crowd.

While the curious eyes of the world have been scanning sea and horizon for the missing honeymooners, they have spent considerable time in New York City.

In fact they have made their headquarters here at the town house of Ambassador Dwight W. Morrow in exclusive East Sixty-Six street, International News Service was informed today.

Numerous reports that Lindbergh and his bride, the former Anne Spencer Morrow, daughter of the ambassador, had been glimpsed in the vicinity of upper Fifth avenue had been received, but inasmuch as all the world is imaginative when it comes to lovers and Lindberghs, the reports were discounted.

Seen by Cab Driver.
However, the lad who drove Ambassador Morrow in a taxicab from Englewood to the Morrow town house at Fifth avenue today excitedly confirmed the story.

"I seen him—I seen him," he said with eyes as large as a bombing plane. "I drove Mister Morrow (they don't always call him ambassador) in his taxicab."

Committee Files Full Report On Election Districts

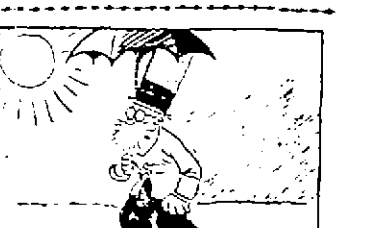

Recommendations As To Re-Districting Are Now In The
Hands Of The Court

Commission appointed to investigate the necessity for re-districting the different election wards of the city, has completed its work and filed a report, which is now in the hands of Judges R. Lawrence Hildebrand and James A. Chambers.

As the work of the commission was in the nature of an advisory recommendation, it will be several days before the judges will be able to look it over, as soon as this is done the report will either be approved as presented, or changes will be made in accordance with the views of the court. It will then be given out for publication.

Proposed re-districting of the city was taken up following the last election when it was found that in some precincts of the city there were far more voters than could be conveniently handled by the election boards. It is understood that the committee has recommended changes in the more populous precincts, but that some of the precincts will remain the same.

There once was a woman who lived in a flat, she kept a white poodle, a parrot and cat, she'd never been married, the reason was plain, for she was too wise to have men on the brain. For what good are husbands, she often would say, when she sat down to rest at the close of a day. The poodle she loves me, the parrot can talk, and the cat never grumbles at length to me, but the poodle growls, as the time quickly sped, and one morning his mistress discovered him dead, the parrot, while grieving, just laid down and died, and the cat followed suit as the body he sped. Now all that was quite lonely, with pets all gone hence, and a good woman lonesome, for some night recompense, a man would be longer, she mused for awhile, and then from her pillow there descended a smile. She wrung up her hair and powdered her nose, then painted her lips and went around to neighbors, she landed a vision and soon she was loved, with heat too and severity, she beatrice Coleman, Chicago, Ill. Jury Is Chosen To Try Officers In Youth's Death

Feeling Still Runs High In Abingdon Virginia Over Killing Of College Youth

CHIEF OF POLICE IS TRIED ALONE

Three Officers Accused Of Opening Fire On Machine Without Legal Right

(International News Service) ABINGDON, Va., June 4.—A jury composed largely of Cumberland farmers sat in the box today to determine the fate of three county enforcement officers who a month ago shot and killed J. M. Kendrick, college Freshman, because they suspected he had liquor in his car or had been drinking.

Kendrick was killed in a car driven by Paul Phelps, another local youth, when the dry agents opened fire into the back of the car at close range. Sterling Dutton also was in the machine.

Phelps told a straightforward story on the witness stand. He said they had not been drinking, nor had they any liquor. He said he was driving toward Bristol when another car passed him and cut in ahead of him. Fearing a hold-up, it was a dark night, he "stepped on it." The next thing he knew shots poured into the back of the machine, and Kendrick slumped in his seat. A bullet had passed through his head.

Public Feeling High.

Defense counsel, led by Charles Warren, declared before they were through they would prove "these boys were no saints." Warren also intimated that Kendrick was not in the automobile when shot.

For the prosecution, Commonwealth Attorney Parks declared it made no difference whether the boys had liquor or not.

"Even if this boy had been drunk," he said, "that would not make his life forfeit."

"Jim" Crowe, deputy sheriff, is being tried alone, but his fellow agents, "Jim" McReynolds and "Bill" Worley, will follow him in the dock.

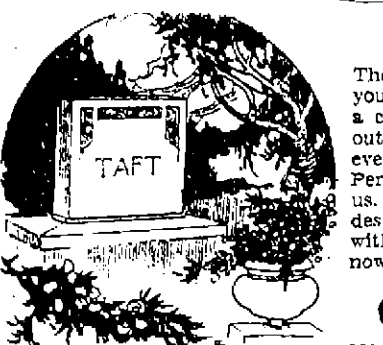

Public feeling is still running high against the officers, and the courtroom is jammed to suffocation with spectators.

HENRY MASON DAY TO JOIN SINCLAIR AS JAIL PRISONER

(Continued From Page One)

Sinclair drawing six months, Day four months. W. J. Burns 15 days and Sherman Burns a fine of \$1,000. Yesterday the supreme court upheld all except the sentence imposed on the elder Burns.

It may be that because Sinclair already has been in jail a month for contempt of the senate and because it will be another month before the new commitment comes down, this second "rap" actually will be a little less than four months. Justice Selden's sentence read that his term to begin "the day he enters jail" and that was the sixth of last May. However one sentence was for contempt of the senate the other for contempt of court and legal opinion differed here today as to whether the sentences would run concurrently or consecutively.

SUMMER RECESS FOR CONGRESSMEN IS NOW ASSURED

(Continued From Page One)

Congress will recess during a part of the summer but the senate will be brought back about August 15 in order to insure a final vote on the tariff before the special session ends next November. The house probably will be given a vacation in that event, until September 15.

Public Hearings

Public hearings on the tariff, which the senate finance committee already has ordered, will begin June 12 and continue until July 10. The committee will divide into several subcommittees, which will conduct hearings simultaneously. When the hearings are closed, there will be several weeks of secret discussion by the full committee, after which the Republicans will draft their bill and the Democrats will unite to propose various minority amendments.

The ordinary consumer who pays the cost of all tariff increases but who gets additional protection for his American scale of wages, will have an opportunity to be heard on the tariff this year. Senator Simmons (D) of North Carolina, minority financial leader, has given him a special invitation to appear before the committee and give his views about tariff increase and reductions.

Report Progress.

The senate and house conferees on the farm bill meanwhile reported further progress in their efforts to draft a compromise bill from the measures passed by the two branches. The point under immediate discussion today was whether the proposed stabilization corporations should be al-

Some objection has been raised against the senate provision, allowing the corporations to sell products, on the ground they would tend to drive cooperatives out of business. Administration leaders were hopeful of getting the farm bill on the statute books by the end of the week.

Another meeting of applicants for special training in first aid work to provide them with the rank of Red Cross instructors certificates, will be held Wednesday evening at 7:30 in the offices of the Bell Telephone Co., when Dr. E. N. Parlette will be in charge.

It is important that all members enrolled in the class be present, as the number of sessions will be limited and the qualifications necessary are a certain number of hours of actual instruction.

KING GEORGE ACCEPTS RESIGNATION OF PREMIER BALDWIN

Labor government that was ousted from power by the conservatives in 1924 when Stanley Baldwin was appointed prime minister.

It is confidently believed that there will be a woman minister in the new government, thus setting a precedent in British politics.

Woman In Cabinet.

Reports were current during the political campaign that, if the laborites came into power, Miss Susan Lawrence might become England's first woman cabinet minister. She is slated, it is said, for the post of minister of health. However, another woman was mentioned with equal prominence in labor circles and a member of the last House of Commons. She was re-elected in the recent general election.

There is much speculation as to the make up of the new government. It is believed in some quarters that the post of foreign secretary will be offered to Arthur Henderson and that Philip Snowden will return to the portfolio he held in the previous Labor government—the chancellorship of the exchequer.

The chief policies of the Labor government are expected to follow more or less closely the principles laid down by MacDonald on election day to the International News Service. They include:

Purification of world disarmament; Britain to abide by the war debt agreement with the United States; speedy withdrawal of the British occupational troops from German soil and a general policy of world peace.

Village Menaced

A stream of molten lava, rolling down Hell Valley from a cone on the southern side of the crater menaced the village of Terzigno today.

The inhabitants, headed by the parish priest, marched up and down the streets throughout the night, carrying sacred images and imploring God to spare their homes.

The lava river, nearly 100 feet wide and eight feet deep, advanced remorselessly toward Terzigno at the rate of 100 feet hourly. At mid-morning the menacing tide was only about a mile and a half from the outskirts of the village.

LONDON, June 4.—Lava pouring from the crater of Mt. Vesuvius is advancing rapidly toward the village of Terzigno at the volcano's base, and exchange telegraph message from Naples stated today.

The inhabitants of the town are considerably alarmed, and hundreds of persons are camping in the open for fear of being trapped in their homes.

Troops are on the way to Vesuvius to patrol the menaced area and aid in evacuation should it become necessary, the dispatch states.

climb to culture and achievement through the ages.

"There is an eternal plan of God," said Bishop Welch, "which Tennyson was thinking of when he wrote 'Yet I doubt not through the ages one increasing purpose runs; and the thoughts of men are widened with the process of the sun'."

The speaker then pointed out some of the upward steps man has taken. Language, the discovery of fire, the invention of tools and other steps in the evolution of man were commented on. Man no longer needs the keen vision, the quick step, the strong arm which his ancestor needed to survive, declared the speaker. Man has substituted brain for brawn. And in the substitution of brain for brawn, according to Bishop Welch, man has attained power.

Power.

"Power is wonderful," he added, "but power of the track is deadly." He then compared man's power with the power of a locomotive. While the locomotive is on the track the power is worth while, for it is useful. When it gets off the track, disaster and trouble result.

Bishop Welch then went on to show that the power men have should be used to help mankind. Men with power who are narrow-minded and bound by sectional and national ties are not needed, according to the speaker. "Patriotism is magnificent," he added, "but patriotism is not enough."

The speaker concluded his address with the plea that the graduates have open minds toward all men; that they love their country, but widen their horizons to take in men of all races; that they plan to use the power they have for the benefit of humanity.

Valedictory Address.

Miss Ruth Dinsmore, New Wilmington, valedictorian of the class, continued to emphasize international outlook in her speech. "There is a sense in which every civilization is linked to every other civilization," she said. Archeology, translation and the study of history, she pointed out, have given us new insight into the people of other ages. We have found that the Greeks and the Romans were human beings. And since we have learned this, we should realize that mankind the world over is worthy of our good will today.

Emphasizing the importance of the past, as studied in the college classroom, Miss Dinsmore concluded with the assertion, "The past gives a challenge to the present. Ours is the chance to show how far beyond the past we can go."

Following this address President W. Charles Wallace, with the assistance of Dean Charles Freeman and Dr. J. A. Swindler, registrar, conferred honorary degrees on six men of achievement. The honorary degree of doctor of pedagogy was given to Port Eekles, superintendent of the Homestead schools. Mr. Eekles is a native of Mercer county, has taught in Mercer and Lawrence counties, was principal of the local school for some time, and has made a mark in the educational world.

Mr. Kelso, a former Westminster student and a graduate of Geneva College, has been engaged in the profession of school teaching and school administration for many years. He has been president of a large number of Allegheny county educational organizations and is now president of the Pittsburgh district school superintendents.

Rev. William Brown, a native of Ireland, educated in America, was honored with the degree of doctor of divinity. Rev. Brown has been a leading United Presbyterian pastor in New England, having served at Clinton, Mass., and at Providence, R. I., his present charge. He has been on many educational and missionary boards of the church.

Rev. A. L. Kenyon, a native of Liverpool, England, and pastor of the Mt. Pleasant United Presbyterian church, was also honored with the degree of doctor of divinity. Rev. Kenyon was educated at Allegheny College after spending some years in business in the far west. He has been a leader in the United Presbyterian church.

Rev. E. E. Campbell, an educational

and missionary leader at Sialkot, India, was another of those honored with the doctor of divinity degree. Rev. Mr. Campbell was graduated from Westminster and from Xenia Seminary.

Rev. W. T. Lytle of Ben Avon also received the honorary degree of doctor of divinity. Rev. Mr. Lytle was graduated from Onmouth College. Since his entrance into the United Presbyterian ministry three years later he has been a leader in the church and has served as pastor at Mt. Pleasant and at Ben Avon.

Charge to the Class.

President Wallace concluded the commencement exercises with his charge to the graduates. Using the inscription found on the lintel of the tower entrance of the new building, Dr. Wallace pointed out that the motto, "Bind up the testimony and seal the law," was the challenge of the old college to this year's class.

The Legion of honor, President Wallace called the senior class, because it is the first to survive the flood of 1927 and the reconstruction period since. He complimented the graduates on their loyalty during the trying times since the fire and told them to bind up the ideals of the institution: ideals of scholarship, loyalty, religion and seal them in their hearts for life.

home town) to East Sixty-Sixth street near Fifth avenue and I seen Lindbergh. It was Lindbergh, I'm telling you, but don't tell nobody."

The "town house" of Ambassador Morrow is not listed in the directory. However, friends admitted the ambassador frequently stayed at a house off Fifth avenue when in the city.

From another source, it was learned that the Colonel and Mrs. Lindbergh dined in New York City last Saturday night with Mr. and Mrs. Edward C. Bench, of Englewood, N. J.

Boat Issue Explained.

If the captain and the crew of the motor cabin cruiser "Mouette" cornered the Colonel and his bride, as reported from various points along Long Island Sound, it means apparently that sorties were made from the Lindberghs' ten house hangar in the vicinity of acquired vessel.

The motor boat was bought by Colonel Lindbergh a week before his marriage, according to Irvin Chase, general manager of a shipyard at Bayonne, N. J., who revealed how the aviator and his bride escaped on their honeymoon.

Chase said that he took the boat on the afternoon of the wedding, "a lonely spot" on the Long Island shore. After the marriage, the bride, who motored from Englewood to the "lonely spot" and boarded the boat.

"To avoid publicity and enjoy his honeymoon, Colonel Lindbergh asked me not to make any statement as to his whereabouts," Chase said. "When I delivered the boat to him, I was unaccompanied by anyone."

Brutal Sales Policies

Brutal and dangerous sales policies of competitors, working an inhuman hardship on the sorely tried tobacco trade, cannot halt the success of Lucky Strike. Lucky Strike, the choice of experts, is now the favorite of millions. Public testimony of those whose voices are precious, of those who keep trim, of those who prize the slender figure of fashion, and 20,679* physicians substantiate the benefits of the secret toasting process. The quality of Lucky Strike merits public approval as it won expert commendation.

Reserve Officers Act To Keep Local Unit Office Open

Petition Adjutant General To Send Successor To Capt. Craig Here

Faced with the possibility of having the office of unit instructor in the reserve corps closed following the departure of Capt. M. L. Craig, unit instructor, who has been relieved of duty here, the local Reserve Officers Association has taken steps to retain the office in this city.

Through Secretary Pat J. Dempsey, of the Shenango Valley chapter Reserve Officers Association, letters were sent to Senator David A. Reed and Congressman J. Howard Swick asking them to use their influence in having a successor to Capt. Craig appointed by the War Department. The Chamber of Commerce is also co-operating in the matter.

Both Senator Reed and Congressman Swick have sent encouraging replies, stating that the matter has been presented to the adjutant general and that they feel confident that a competent officer will be sent here to succeed Capt. Craig.

Capt. Craig has been relieved of duty here and will soon leave for Salt Lake City, where he will have charge of instructing students in military tactics at the University of Utah.

Sinclair May Serve Six More Months In Washington Prison

Supreme Court Refuses To Grant Sinclair Absolution Of Sentence

Latest Penalty Is For Part In Tampering With Jury In Fall-Sinclair Trial

(International News Service)
WASHINGTON, June 4.—Harry Sinclair, multi-millionaire oil magnate, now serving a 3-month sentence in the District jail for contempt of the senate, lost another round with the law Monday, and as a result faces six months more imprisonment for having his operatives shadow the jurors who sat in the Fall-Sinclair conspiracy trial.

The supreme court upheld the original sentence of six months, just as it recently sustained the sentence of three months which Sinclair is now serving.

The decision probably means that at the conclusion of his present sentence, late in July, the oil magnate will start immediately on the longer sentence, which will keep him in jail until long after Christmas.

Coincident with the Sinclair ver-

dict, the court sustained a sentence of four months for H. Mason Day, a former official of one of Sinclair's companies, and a fine of \$1,000 against W. Sherman Burns, acting head of the detective agency that furnished the jury-shadows, but it did not sustain the sentence of four months against William J. Burns, father of the younger Burns. The older Burns will not have to serve the sentence imposed upon him by the District court.

Answer to Yesterday's Puzzle

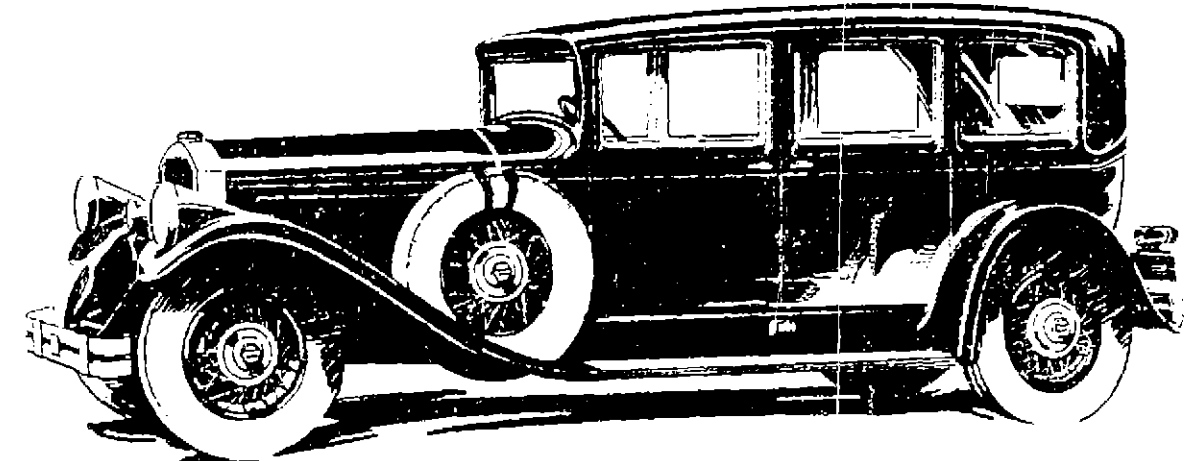

First Showing of The New Straight Eight by PIERCE-ARROW

HERE at last is the automobile which for weeks has had a good part of America on tiptoes, awaiting a first glimpse.

A swift, slender automobile which so beautifully combines bigness with freedom from bulkiness, as to set a new fashion in fine motor cars. That's the new Straight Eight by Pierce-Arrow—and nothing finer ever bore this distinguished name.

All the fine traditions that have been Pierce-Arrow's from the beginning find ultra-modern expression in this, America's finest motor car. It arrives at the psychological moment to meet the greatest waiting demand in Pierce-Arrow history.

Body by Pierce-Arrow—and Pierce-Arrow in every part!

125 Horsepower Engine • 85 Miles per Hour • 133-inch and 144-inch Wheel-bases • 59-inch Rear Tread • 72-inch Over-all Height • Ample Head-room • Wide Doors • Pierce-Arrow Coach-work • Non-shatterable Glass • Fender or Bracker Headlamps optional without extra charge.

Pierce-Arrow mechanical detail embraces every device of proved character known to the engineering of fine motor cars

PETER'S ADVENTURES IN ANIMAL LAND

SOUND ASLEEP IN A FLYING FEATHER BED.

Wild Gander heard his passenger muttering to himself and chuckled. "The moon is out as bright as can be and the stars are not a speck smaller than they have been for hundreds of years. The trouble is with young Two-Legs himself. His eyes are closing and shutting things out from his sight and he thinks that it is the moon and the stars that are playing him tricks."

"Poor little chap! I do not wonder he is weary, traveling so far and seeing so much all in one short day. I hope he rests well up there on my back so that when we reach the southern swamps he will be ready to have a jolly time with the rest of us."

Kind hearted Father Wild Gander was quite right. Peter was sound asleep on his flying feather couch, and he never saw the stars fade out one by one nor the moon change slowly from gold into silver as the night wore away. Suddenly Peter woke up with a start. Something had happened. What was it? Where was he anyhow? He must have tumbled into a feather bed, but how?

Slowly he sat up in his "bed" moved. Then Peter remembered. His feather bed was the top of Gander's back and the last thing he knew the fellow had been flying at the head of he Wild Geese flock under a starlit sky. Now Gander was perfectly still. Had the bird fallen to the earth again?

His feet rose to his knees and cautiously peered out from among the feathers, half afraid of what he might see. He found himself looking straight into the eyes of Father Wild Gander and Father Wild Gander was laughing at him.

"Good morning, youngster!" said he. "How are you? You ought to feel as chipper as a sparrow after such a time long rest. I believe you steps nearly all night long."

The boy was so glad to see his friend alive and well and so cheerful that he shouted at the top of his lungs.

"Hurrah! Hurrah! I never felt better in all my life. How long have we been on the ground? I believe your stopping is what woke me up."

"Oh no it didn't. We Geese have

all had a camp since we alighted! laughed Gander, "while you have just this minute waked up. Look about you boy! We are now in the southern swamps. Isn't this a beautiful spot in which to linger for a while?"

Next: "Way Down South in Swamp-land."

"KONJOLA FIRST MEDICINE THAT BENEFITED ME"

Man Pays Grateful Tribute To Famous Medicine: Free Of Stomach Trouble After Three Years.

Konjola was the first medicine that benefited me after I had been in with a bad new bowels, said Mr. Walter E. Brown, 22, 10th Street, Norristown. "For three years I suffered from stomach disorders. No matter what I ate, gas bloating always resulted. During the night I was quite impossible to sleep. My system was running in general. Konjola soon ended my sufferings. I feel as good as new. Two bottles showed me that I was on the right track. I tried eating green, the druggist told me. I tried things that I never dared to touch before and they all disgusted me. Finally, I tried Konjola and it worked. I sleep soundly every night. It is wonderful. The way Konjola helped me and I can find no words to say enough. Konjola is sold by 'Coca-Cola' and 'The Coca-Cola Company' in all drug stores. I am now 22, 10th Street, Norristown, Pa."

High School Seniors Celebrate Tonight

Elaborate Program For Exercises
At Benjamin Franklin
Auditorium

Class night for this spring's graduating class of the local senior high school will be observed at the Benjamin Franklin auditorium tonight at eight o'clock, daylight savings time. Speeches by the class orator, class donor, class knocker, historian and others, the presentation of the class axe to the president of the succeeding class and the awarding of scholastic and athletic medals are a few of the events scheduled for this evening. Music for the evening will be furnished by the senior high orchestra.

Envy assails the noblest; the winds howl around the highest peaks.—Ovid.

Many Of City's Teachers To Study During Summer

Many teachers in the city schools are planning to attend summer sessions in the various colleges, universities and normal schools of the district according to intentions which have already been voiced by a large number. Each year there are a large group from the local schools who take up further study in their line of endeavor, according to Dr. C. C. Green, city superintendent, and this summer will be no exception to the precedent.

New Castle has some 15 teachers who already hold masters degrees, in the neighborhood of 130 possess Bachelor of Art and Bachelor of Science degrees while there are some 300 normal school graduates as well as a large number of graduates from special training schools. The present rule pertaining to teacher study includes that no less than six hours of additional work must be taken following graduation as well as three years of actual teach-

ing experience, if the teacher wishes to make his or her provisional teaching certificate permanent.

Just what percentage of New Castle's 400 teachers will be enrolled in schools this summer has not been computed as yet but every indication is that the majority will be pursuing some phase of their particular work during the summer months.

Members of the Legion of Honor Bugle and Drum Corps will meet this evening for their weekly rehearsal at the Cathedral. All members are requested to be present by Manager Howard Geary.

How much is a Happy Youngster Worth?

57

Why, bless you, he's worth his weight in—Heinz Rice Flakes. And just think how much joy he can get from a single bowlful of this delightful new cereal food!

That's how you make a youngster happy. Every morning—a bowl of these crispy, crunchy flakes with a flavor like butter-browned nut-meats.

That's how you keep him happy too. For it's fun to be healthy, you know, and Heinz Rice Flakes help keep him healthy. Due to a patented Heinz process which transforms the natural roughage element of the rice into a pure cellulose that acts as a gentle, natural laxative.

Isn't it an easy way, a wonderful way to add to the "Joy of Living"? For all the family.

Days' Prayer In Congress

The Rev. Joseph V. Buckley, pastor of St. Francis Xavier's church, Washington, D. C., offered the following prayer:

Lord God Almighty, Judge of the living and the dead, rewarder of all righteousness, deign to look

down upon and bless the deliberations of this congress. We graciously beseech Thee that no selfish, sordid motives may inspire any of its deliberations, but rather, true to the trust reposed in it by millions, it may carry on in the spirit of the fathers who founded and framed this great republic.

O God, send the Holy Spirit to rest here. Bless the president of the United States, that Thy grace may indeed fructify, and Jesus Christ our Savior may reign and rule. Amen.

A Texas senator has introduced a bill to revoke the license of talkative barbers, which amounts to a censorship on news. The Ogden Standard-Examiner.

A household economist recommends most ducking with orange sauce and the wonder will be that an economist would treat gravy that way.—The Pittsburgh Post-Gazette.

Underweight Men Dig Own Grave!

You pale, nervous, skinny men—you might just as well start digging your own graves for all the pleasure or success you'll ever get out of life. It's the yellow, thin, with dynamic energy, life and ambition, who gets promotion at work—who steps off with "the belle of the ball."

The health-giving, flesh-building ingredients of McCoy's Tablets have helped thousands of skinny men—just as discouraged as you—to gain an astonishing amount of energy and vitality, to acquire good strong nerves, to put on pounds of healthy, firm flesh.

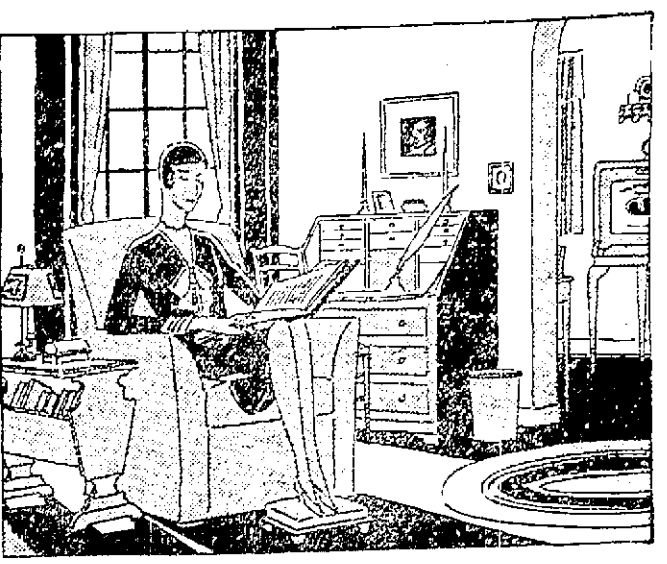

Why not try once more to look like a real man!

This guarantee protects you—take McCoy's Tablets for 30 days and if you do not gain at least 5 pounds and at the same time gain in health and energy, Eckerd's of New Castle, Inc., McCoy's Kut Rite or any drug list is authorized to return your money—60 tablets 60 cents. McCoy's Laboratories, New York City, also distributors of McCoy's Cod Liver Oil.

YOUR DINNERS will cook themselves in a

"Flavor Zone"

Oven

WHILE you read, or shop, or visit with friends—the Westinghouse "Flavor Zone"

Oven out in your kitchen is preparing the most delicious meals you ever ate. Cooking by much the same method as the old time Dutch oven—this most modern of ovens produces results as savory and appetizing as the traditional baked beans, fat golden brown ducks, spicy hams, and rich fruity puddings of Colonial days.

Just put the entire meal in the cold "Flavor Zone" Oven. You don't even have to sear the meat. Then set the clock and make a simple adjustment of the thermostat.

The current comes on at exactly the right time. It is shut off at exactly the right temperature.

The entire cooking process is automatic! You do not have to be in the kitchen from the time you close the oven door until the meal is ready to put on the table.

Vet Committees To Visit Posts

Visitation Committee Is
Formed To Boost Annual
Picnic In July

Organization of a Visitation Committee to visit the various posts in Western Pennsylvania and Eastern Ohio for the purpose of boosting the annual V. P. W. picnic at Cascade Park in July, was effected at the meeting of Harry T. McBride Post, No. 522, Veterans of Foreign Wars, at their meeting last evening.

William H. Clapp was named adjutant of the post, succeeding Dolph Jones, who was forced to resign.

A partial report was received from the annual Poppy Sale of the post, which was held on Saturday, May 25, the sale being a most successful one. The post will meet again in two weeks when plans will be furthered for the annual picnic.

Rush Work On New Mercer High School

Expect Structure To Be Ready
For Use By First Of
September

MERCER, Pa., June 4.—The new high school building here which was started about a month ago is being rushed. The excavating is all done and the steel frames are being erected. On the grade building the first story of the additional room has been erected. There is no doubt, but what the buildings will be ready for use by September.

Return Tickets
The Girl Scouts and others having tickets to sell for the benefit picnic are asked to return them to Miss Aetia Stewart for use as a later date. The amount necessary was not raised and so another show will be held during the summer.

John Simpson won first prize, Arthur Adams second and Helen White third in the sale of tickets.

Attend Banquet
Mrs. Frank P. Craig and daughter, Mrs. Howard Hammond of New Castle, attended the annual alumni banquet.

Some Classes Will Not Meet During Summer Months

With the coming of summer several classes at the Scott Street Neighborhood house have been discontinued until next fall according to Miss Christine Butler, head of the institution.

The beginner's sewing class which met every Tuesday afternoon throughout the winter months has been discontinued for the summer months with a farewell party, songs, games, and the flag salute, after which followed a luncheon made up of the party. Mrs. W. C. Stuart, Miss Asher and Mrs. O. A. Hartman were the instructors for this class. The English class also closed with a farewell party.

The embroidery circle which is made up of the larger girls of the South Side district will meet throughout the summer months. The following girls did good work in the beginner's class: Anne Isaac, Bertha Isaac, Edith Deep, Mary Deep, Mary Bisher, Josephine Sam, Manero John and Sophie John. A new club was recently organized at the institution. The new club is the Boys' Club which is made up of the boys attending Sabbath School. This club will meet every Wednesday evening.

At the present time a furnace is being installed at the Neighborhood House.

TEJERO of Barcelona

Beauty Adviser by Appointment to 3 Reigning Queens

advises daily use of Palmolive Soap

Spanish beauties have long known the cosmetic value of olive oil. Scientifically blended with palm oil, it has its greatest beauty effect in Palmolive Soap.

"Regular cleansing twice a day with Palmolive Soap is my advice to my clients. The effect of the pure palm and olive oils in this soap keeps the skin always in the proper condition."

Luis Tejero
BARCELONA

IN SPAIN, the country of olive-skinned beauty, care of the skin is entrusted to men who are not only beauty specialists but dermatologists as well. Of these, one of the highest in rank is Tejero, of Barcelona.

A skin specialist of renown, Tejero studied at the faculty of medicine at Zaragoza. He holds a surgeon's diploma and has practiced his profession in Paris and London—in Berlin and Brussels—in Vienna, Budapest and Prague.

Tejero's distinguished clientele

In Paris he was privileged to attend the Queen of Holland and her daughter. In Belgium he served Her Majesty, Queen Elizabeth. He has, of course, attended the Queen of his native Spain... and his many distinguished patrons include not only Ladies-in-Waiting from all the Courts of Europe and the Castilian aristocracy, but numerous celebrated artists of the stage and musical world.

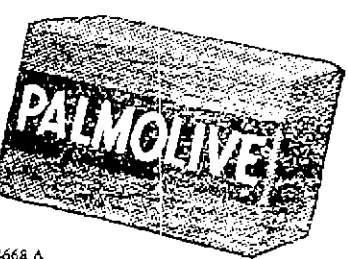

Senor Tejero always prescribes Palmolive for home treatment and attributes much of his success to the fact that his clients follow this advice:

"No skin can remain healthy for long unless it is thoroughly cleansed twice a day with soap and water," says this famous Spanish authority. "The effect of the pure palm and olive oils in Palmolive Soap is to penetrate gently but deep down into the pores... and to soothe and rejuvenate the tissues."

Other international authorities who prefer Palmolive and stress the value of its olive oil content include Cavallieri, of Paris; Jacobson, of London; Artile of Rome—and hundreds of the leading beauty artists of the world. Act upon their advice this very evening. A radiant complexion will be your reward.

Most of Paris recommends, as do the great beauty culturists of Europe and America, twice daily "foundation cleansing"—the massage with rich, warm Palmolive lather for two minutes, followed by warm, then icy cold water.

West Side School Leads Entire City In Thrift Record

A 100 per cent school in thrift was the record established this year by the West Side school, as every pupil deposited at least one coin a week in the automatic receiving teller throughout the entire school year. This is a remarkable example of cooperation and the principal, R. G. Leslie, the teachers, the pupils and the parents are to be heartily congratulated.

One hundred per cent thrift room framed certificates were presented to every grade and the awards for each grade were presented to the following representatives: Jane McFall, 6A; Arthur Black, 6B; Sam Salmen, 5A; Betty Wise, 5B; Virginia McBride, 4A; June Hunter, 4B; as these were the outstanding pupils in their respective grades. The lower grades, 3A and 3B, 2A and 2B, 1A and 1B, as well as the kindergarten, sent representatives to receive the awards but these were not chosen on account of their absence in the school.

As every pupil in the school received a thrift award, all of the names will not be run in this issue but will appear in this and a later issue.

The following are those receiving the awards and the kind of awards presented by Robert M. Strickler, Jr., in behalf of the Lawrence Savings & Trust Company.

The pupils that received thrift diplomas with one gold star for depositing five years were Mary Crawford and Charles DuPuy of grade 5A; Levada Robinson of grade 5B and Robert Selby of grade 6B.

The pupils that received thrift diplomas for depositing four years were Virginia McBride, Dona O'Brien, Anna Mae Schick and Louis Walker of grade 4A; George Grievus of grade 4B; Olive Cowan, Donald Doot and Howard Rose of grade 5; Marion Pullen, Mary E. Farmer and Edna Sisler of grade 5B; Robert Ankey of grade 6A and Hilda Tarter of grade 6B.

The pupils that received thrift champion certificates with gold seals and red ribbon were Nimer Habib and Dorothy Hall of grade 3A; Harry Ross of grade 3B; Dorothy Ryan, Eleanor Wester, Alfred Higgins, Jack Jones and Walter Rice of grade 4A; Mary E. Fondrick, Nancy Hall, Eleanor Ungar, Anna Wood, Mike Chirozzi, James Dages and Tommy Williams of grade 4B; Dorothy Jones, Vera Sage, Ellen Snyder, George Fabie, Arthur Hil-

hard and Richard Winger of grade 5A; Antoinette Chirezzi, Esther McQuiston, Buma Matthews, Edith Miller, Betty Wise, Norman Douglass, Clyde Fielding, Andrew Markel and Ernest Tarter of grade 5B; Ethel Eiston, Garnet Linton, Mary Miller, Jane Moffatt, Constance Rickel, Verona Riggins, Marietta Schick, Burden Carder, Fulton Cook, Alfred Hill, Tony Mitolo, Charles Probst, Joseph Proctor and Welbourne Turner of grade 6A; Jennie Adams, Ethel Black, Margie Cook, Agnes Grievus, Mabel Nicman, Rose Schuller, Helen Yankura, Richard Davis, Albert DePrincipi, Danny Mitolo, James Morris, Malvin Riggins, John Rose, Earle Sweeney and Lanxter Webber of grade 6B.

The pupils that received thrift awards for depositing two years were Carl Porado and Dorothy Wise of grade 1A; Dorothy Bevan, Geraldine Fielding, Dorothy Moon, Betty Mitchell, Myrtle Reamer, Hazel Ryan and Emma Schuller of grade 2A; Clifford Connor, Warner Crawford, Jack Richardson, Jack Williams, Walter Jackson, Adeline Black, Ethel Horton, Jean Kennedy, Delora Riggins, Elma Ungar and Phyllis Glasgow of grade 2B; Edward Hatcher, Robert Markel, Richard Miller, Emerson O'Brien, Freddie Schuster, Mildred Pait, Annabel Freeman and Eileen Waite of grade 3A; Tony DiMatteo, Robert Habib, Elmer Hachner, Robert Rice, Myrtle Cowan, Hazel Emery, Evelyn Rowe and Ruth Wade of grade 3B; Lillian Adams, Maryanna Ayers, Lu Verne, Hesson, Geraldine Hietel, Jennie McClelland, Ruth Owens, Valera Riggins, Huanna Reamer, Doris Richards, George Bodendorfer, Raymond Criss, Frank Faller, James Hoover, George Smith, Alice Hite and Thomas DePrincipi of grade 4A; Margaret Faller, Emily Fielding, Alice Hoover, Dorothy Hoover, June Hunter, Thelma Lawson, Mary Macko, Myrtle Montgomery, Mary Jean Murphy, Geraldine Smith, Kyle Booth, Robert McCracken, Ruthford Owens, Clifford Proctor, Edward Porado of grade 4B; Virginia Custer, Ethel Nieman, Alice Shaffer, Hilda Ungar, Twila Walt, Raymond Buckley, Julius Gardeck, Raymond Morrell, George Murphy, Edward Tucker of grade 5A; Margaret Donofrio, Wanda Gardner, George Hitch, Kenneth Jerry, Frank Joseph, William Marsh, James McCartney, Clifford Owens, Robert Steese of grade 5B; Mary E. KIDNEYS SELDOM FREE FROM POISON

Clean Them Out And Backache, Sideache And Bladder Troubles Go.

It's mighty close to the truth to say that there are ten thousand apparently healthy people in America today, who will have kidney disease, dropsy or some form of kidney disease within two months.

If you have backache, or the slightest suggestion of backache, don't take chances. Get a bottle of Thompson's Barosma today and give your kidneys a thorough cleaning. They probably need it. If they don't, Thompson's Barosma is a good tonic anyway and will do you good. Price \$1.00. Thompson's Barosma is guaranteed by all drug stores to relieve kidney or bladder disease, no matter how distressing, or money back. Put up in liquid form, is quickly assimilated and goes directly to the seat of trouble. The very first dose should make your sick kidneys feel better, but bear this in mind when constipation is present. Golden Lax Tablets should also be used. 25c and 50c. For sale at all drug stores.

Lilyan Tashman tells how to attract

HOLLYWOOD, Calif. — Opinion is unanimous among the 39 foremost movie directors that no girl can be as fascinating unless she has lovely skin. As Alan Dwan puts it: "Smooth skin is a perpetual attraction. Rose-petal skin gets the American public every time."

Lilyan Tashman says: "You just can't 'get by' on the screen without smooth, beautiful skin." Like 98% of the important actresses in Hollywood, she is enthusiastic about Lux Toilet Soap. "This fragrant white soap is such a wonderful help in keeping my skin blooming!" she says.

Nine out of ten screen stars use Lux Toilet Soap, and all the great film studios have made it the official soap for their dressing rooms. It is made by the famous French method.

Bee Raising Club School Feature

North Street Grade School Has Unique Club Activity

It is believed that the North street grade school of which W. A. Hoffmaster is principal, is the pioneer of any city school in this section of the state and possibly in a much larger area, where an active study of honey bees is being undertaken and where the interest is so great that a bee raising club is being organized.

The activity of the boys and girls in the study of bees is due to the fact that Principal Hoffmaster has been an enthusiastic bee grower for years.

At the school there is a hive in which there is a fine colony of Italian bees brought originally from the Apennine mountains of that country. The hive, constructed in the Ben Franklin junior high school work shop, is of the latest modern design. It is so arranged with glass sides that when the outer protecting boards are removed the bees can be seen busily engaged in their daily labors. There is an exit under glass out the window of one of the class rooms and the bees can be seen going and coming as they search for and secure the desired honey. It is also equipped with a feeder, where the bees can secure water and sugar.

The study of bees, part of the nature study work of the school, is conducted by Miss Evelyn Spencer, nature study instructor, under the supervision of W. A. Hoffmaster.

Today Lewis Hawthorn, who is active in the extension of bee culture in this county through the State college in this district, was present at the chapel session and gave an address on the work of bees.

Following his address, the following youngsters expressed a desire to raise bees: Richard Hoffmeister, Edwin Hoon, Dwight Houston, Jack Allison, Marjorie Patterson, Henry White, Ray McCurdy and Herbert Stockman.

These young people plan to get colonies of bees and place them in hives. They will be in competition with East Brook high which has a well organized club.

Miss Spencer stated today that the only place she had previously seen a hive in use in a school was at the University of Pittsburgh.

Prof. Hoffmaster believes that his school will win, in spite of the fact that the bees in the local school will have to travel considerable distance to secure the materials for honey and this may handicap the members in their competition with East Brook high.

From the way the Big Ten is carrying on it looks as if the college athletes will have to stand a reduction in salaries.—The Dayton Daily News.

ANDY KOSKI GIVEN HEARING AT COOPER'S

Steve Koski, charged with assault and battery by Andy Pastirak, was given a hearing before Alderman J. Lee Cooper last night. According to the testimony produced, Steve Koski came into the Pastirak store and started to raise a fuss. Mr. Pastirak attempted to put Koski out of the store and they went into a battle. Alderman Cooper, after hearing the testimony last night, found Koski guilty. Koski was assessed the costs of the case and discharged upon agreeing to pay for the clothing of Pastirak, which he had destroyed in their argument.

CAUGHT WITH LIQUOR; ASSESSED \$25 FINE

Vincent DeLillo arrested over the week-end by Officer Thomas and in whose possession was found a pint of moonshine liquor, paid a fine of \$25, when he appeared before Mayor William H. Gillespie on a charge of disorderly conduct. He became quite abusive when arrested.

Joan Crawford And Doug Fairbanks Jr. Wedded In New York

Famous Movie Couple Surprise Friends By Quiet Wedding In New York City

Douglas Fairbanks, Sr. Gives Approval To Marriage; Plan Return To Hollywood

(International News Service) NEW YORK, June 4.—The second Mrs. Douglas Fairbanks made her bow to the world today, but she still looks like, and is, Joan Crawford of the screen.

The pretty young movie star was married here yesterday to Douglas Fairbanks, Jr., in St. Malachy's Roman Catholic church, long a favorite wedding spot for folks of the stage and screen. There were few witnesses, and the ceremony was a quiet one.

Young Fairbanks and Miss Crawford surprised every one by going to the church a short while after they had obtained a marriage license here yesterday, and no newspaper men were present to give the affair the publicity usually attendant upon movie marriages.

Those who witnessed the wedding were Mr. and Mrs. Frank Case, Jack Whiting and Mr. and Mrs. Weimer. Waiters, all friends of the bride and groom, and Beth Sully, young Douglas's mother, the first wife of Douglas Fairbanks, senior.

Fairbanks said after the ceremony that he had told his famous father of his intentions before he left Hollywood, and that the latter had given his blessing. He proudly displayed a telegram of congratulations from the elder "Doug" which arrived at his hotel soon after the marriage.

The newlyweds plan to leave here for Hollywood a week from today to resume their picture work. Miss Crawford was emphatic in stating that she would retain her screen name in spite of her acquisition of one of the most famous nomenclatures in filmdom.

Rev. Hugh C. Boyle, bishop of Pittsburgh, Miss Mary C. Duffy, Supreme Regent, Rt. Rev. John Mack Gannon, Bishop of Erie and state chaplain of the Catholic Daughters of America, Rt. Rev. William P. Haley, Bishop of Raleigh, N. C., and National Chaplain, Miss Frances Maher, Vice-Supreme Regent and State Regent, and Leo G. Griffith, past state deputy, Knights of Columbus and former resident of this city.

Another feature was the placing of a wreath on the grave of Thomas Francis Enright, first Pittsburgh soldier and one of the first three American soldiers to die in the World War.

Other members from Court Teresa in attendance were Mrs. Margaret Kelly, Miss Margaret Sullivan, Miss Mary Rose Reynolds, Miss Margaret Phangan and Miss Marguerite De-Jane.

"WET PRESS" HIT BY DR. M'BRIDE

Dry Leader Attacks Hearst Plan Before United Presbyterians

PITTSBURGH, June 4.—Rev. Dr. P. Scott McBride, general superintendent of the Anti-Saloon League, speaking at the United Presbyterian General Assembly Monday afternoon, assailed the "wet press" as a menace to prohibition.

He also attacked the Hearst prohibition substitute plan as insincere. "Since when did William Randolph Hearst become interested in a plan to enforce prohibition?" McBride asked. "And from where did the \$25,000 prize money emanate?"

The so-called Hearst plan is nothing more than a liquor selling plan, the Anti-Saloon leader asserted.

Condemns "Wet Press" Speaking of what he termed the "wet press" and prohibition, Dr. McBride said "if they had thought of the idea themselves it would be hailed as the greatest thing on the face of the earth. But in their eyes things that spring up from other sources are things to be condemned. If the press would catch up to the church in its thought on the matter there would be no prohibition problem to solve."

Former Resident Is Convention Speaker

State Convention Of Catholic Daughters Of America Is Large Affair

Mrs. Elmer J. Suber of Bell avenue, worthy Grand Regent of Court Teresa, No. 231, Catholic Daughters of America, this city, has just returned from Pittsburgh, where she attended the ninth Biennial Convention of the Pennsylvania Catholic Daughters of America.

Mrs. Suber reports that it was considered one of the best state conventions of the order ever held and that there were a thousand delegates in attendance at the sessions of the convention which were held in the William Penn Hotel.

Featuring the affair was the banquet held on the second evening of the convention at which Miss Nora E. King, vice-state regent, was toastmistress. Exercises were extended to the delegates by John M. Boissou, President of the Pittsburgh Chapter Knights of Columbus.

Addresses were given by the Rt.

Central Christians To Banquet Ball Team

At the meeting of teachers and officers of Central Christian Sunday school Monday evening at the home of Mrs. J. W. Thomas of Electricians, plans were completed to banquet the basketball team of the Sunday school which has held the championship of the church leagues for the past three years.

This banquet will be held Monday evening, June 11, at 8 o'clock in the church dining room.

It was also decided to hold the annual picnic of the Sunday school at Cascade park on July 13.

The superintendent of the Bible school, A. W. Bauman, presided during the evening.

Calahan To Judge Neighboring Camps

J. Lee Calahan, chief Boy Scout executive of the Lawrence county, has been selected by both the Shenango Valley and Oil City councils to act as judge of campsorees which are to occur soon.

The local executive will judge the camp work at Sharon on June 7 and 8 and at Oil City on June 14 and 15.

The Lawrence county campsoree will occur at Camp Phillips on June 12 and 13.

CHAMBERLAIN ANSWERS TROTSKY'S WAR VIEWS (International News Service) CONSTANTINOPLE, June 4.—Sir Austen Chamberlain, British foreign secretary, has replied to the prediction of inevitable war between the United States and Great Britain, made by Leon Trotsky, exiled Soviet leader.

"There is absolutely no danger of war between the United States and Great Britain," Sir Austen told the London correspondent of the "Milliet," semi-official Turkish newspaper. "To talk of such a conflict is pure folly."

250 YOUNG GIRLS ESCAPE AS FIRE RAZES ACADEMY

Blaze Sends Parents Rushing To St. Mary's At Monroe, Michigan

MONROE, Mich., June 4.—Some 250 of the 250 girl students, ranging in age from 6 to 16, 40 sisters and 50 volunteer rescuers, endangered when fire razed the old buildings of St. Mary's academy here Monday, escaped, police and firemen announced. Loss from the blaze was estimated at more than \$500,000.

Within two hours after news of the fire spread, automobiles containing parents and relatives began to arrive.

Most of the girls will be sent home, Sister Domitilla, Mother General of the Order of Sisters, Servants of the Immaculate Mary, announced. One bus load was sent to Detroit, and the others, comparatively few in number, who lived at a great distance, will be given temporary accommodations in Monroe.

The fire was discovered about 1 p. m. when 40 sisters and about 25 parents were in the building. Rosemary O'Brien, 16, of Toledo, president of next year's senior class, called the fire department.

Dr. Paris Sheaff Back From Europe To Be Graduated At Thiel College

Saw Much Of Interest While Studying In Various Centers There

Dr. Paris A. Sheaff, physician of this city, has arrived home after a stay of eight months in various medical and clinic centers of Europe, where he spent considerable time studying.

He spent practically all his time in Vienna, Budapest, Paris and Munich. Dr. Sheaff stated that the impression he gained in his stay in those various cities is that conditions are not very good in Europe. Abject

poverty is evident everywhere you go and there is evidence of a great number of people of these places being undernourished. We have our poor people here, he said, but their condition is nothing to compare with the poverty stricken conditions that exist among the poorer classes of the European countries in which he spent his time.

Another thing that attracted his attention was the evident fact that all the countries in which he visited were evidently in preparation for war, but that the common people did not want it and did not want to talk about such a thing.

Farrell To Honor Tudor Lewis With Banquet June 13

Tudor Lewis, graduate of Westminster College, and one of the real outstanding stars of the Tri-State Conference basketball league, will be honored with a fitting tribute by his townsmen, of Farrell, Pa., at the annual basketball banquet to be held on June 13.

Lewis previous to entering Westminster was a star athlete at Farrell High, and was regarded as one of the finest basketball players to ever leave the town. One year of his college career, Lewis spent at Grove City, and three at Westminster. He was a guard and a good one. Westminster is going to find it tough next year to replace the clever Tudor. Lewis was acting captain of the Titan team his senior year, and was captain in his Junior year.

Charles Thompson, son of Mr. and Mrs. C. B. Thompson of Euclid avenue, will be graduated from Thiel College, Greenville, Pa., on Wednesday, June 5. The exercises will be held in the grove at Thiel College, and the speaker will be Boyd H. Bode, Ph. D., Ohio University.

Mr. Thompson is a popular athlete on the campus. He was president of the Student Union for the last year, and also president of his fraternity—the Brotherhood Saddle Alpha.

Church Delegates To Decide Merger By Voting Today

Merger With Southern Presbyterian Church To Be Voted Upon By U. P.'s Today

PITTSBURGH, June 4.—A vote on the entire question of whether a merger with the Southern Presbyterian church is to be approved was the chief order of business before the United Presbyterian general assembly at its closing session here today.

The question was placed before the assembly late yesterday but before a vote or debate could be had the assembly adjourned until today with the matter being made a special order for the day.

A scathing attack upon the "wet press" enlivened yesterday afternoon's session. Dr. F. Scott McBride, general superintendent of the anti-saloon league and a United Presbyterian minister, declared the "wet press" to be a menace to prohibition enforcement, adding that "if the press would catch up to the church in its thought on this matter, there would be no prohibition problem to solve."

"The church is not ready for any plan that may be offered, from any source, as a substitute to prohibition," Dr. McBride said.

In adopting the report of the committee on reform, the assembly would on record as "showing strong disapproval of the boldness of the tobacco interests in advertising their wares over the radio, in newspapers and magazines and on bill boards."

Booster Club Will Not Meet This Week

No meeting of the New Castle Booster club will be held this week, the club having started on their summer schedule meeting twice monthly.

The next meeting occurs on Wednesday, June 12, when a big session is planned. A number of important items are scheduled to come up for discussion at this time.

MAN ROBBED OF LARGE AMOUNT

George Waller, R. D. No. 5, reported to the police Saturday night that while in a store here his billfold containing \$112, and his drivers and owners license cards was taken from his left hip pocket. He suspected certain young men and followed them and they were arrested. They proved to be innocent of the theft and were discharged.

CITY WILL RECEIVE \$67,000 FROM STATE TO IMPROVE STREETS

New Castle will receive approximately \$67,000 from the state for improvement of streets in cities connecting with state highways according to information furnished Mayor William H. Gillespie, he stated at noon today.

The \$67,000 will be expended for the improvement of Grant street between Beaver street and the Shenango river bridge, Croton avenue between the school house and the city line and it is believed that out of this amount \$10,000 will be realized for some other route within the city.

The state, according to T. C. Frame, district engineer for the state highway department, has approximately \$200,000,000 to be expended during the next two years. New Castle has about 10 1/2 miles of connecting links with highways and the city's share, according to Frame and Mayor Gillespie amounts to about \$67,000.

Today Engineer Frame and Mayor

Gillespie discussed the routes that would probably be improved and Mayor Gillespie said that it was practically agreed that the two first jobs would be Grant street and Croton avenue. In Grant street, however, the intersections will not be paid for by the state.

It is estimated that the Grant street improvement will cost \$31,000, and the Croton avenue job, \$25,000. This would leave a balance of approximately \$10,000 which could be expended on some other link connecting with a highway. The work would be done by the state and paid for out of the state aid fund.

The mayor was heartily gratified by Mr. Frame's information. Grant street and Croton avenue are in poor condition. Should the state do the work this year the city would be doubly gratified. However, it is not known when the improvements will be made.

Big Cathedral Drive Gaining Momentum Daily

Butler, Sharpville, And Freedom Zones Get Started Last Evening

With Butler, Sharpville and Freedom zones starting last evening the Cathedral re-financing campaign is now well under way and approximately half the zones are actively at work.

Butler started out strongly last evening, eight teams of five men each reporting for duty and enthusiastic reports were received this morning of the results achieved already.

First reports from the New Castle committee on special solicitations are very encouraging and they have been met with a ready response. Three members of the re-financing force reported yesterday that they had signed up every prospect interviewed. The quota for this committee is \$200,000.

Members of the Captains' committee will meet in the Cathedral Friday evening June 7 when some enthusiastic reports are expected to be rendered.

Twenty-six of the 52 zones are now at work and others are expected to get under way from now on. The New Castle drive starts week after next and will be one of the last to get under way.

As a special service to the chairman, team captains and committee members of the different districts a pink bulletin is being issued three times a week giving information on the progress of the drive. The first issue went out to the members this morning.

Urges Reforms By Light Companies

National Electric Light Association In Convention At Atlantic City

(International News Service) ATLANTIC CITY, N. J., June 4.—A result of the federal trade commission's recent probe into power company activities was seen here today in a speech delivered before the convention of the National Electric Light Association by J. P. Owens, vice-president of the Oklahoma Gas and Electric Company.

Owens, who is chairman of the public relations national section of the association, urged the delegates to adopt four reforms in their attitude toward the public.

These are:

- 1.—The creation of measures designed to bring about the appointment in each state of a representative of the power industry who will pass upon all proposed measures of cooperation between schools and the power industry.

- 2.—The discontinuance of information bureaus which have been in charge of distribution of all relating to the power industry.

- 3.—More efficient cooperation within our organization to assure sound development of relations with educational institutions, free from legitimate criticism.

- 4.—Encouragement of measures which will lead to the pronouncement by educational administrators of national prominence and standing of guiding principles to control future cooperative activities involving educational institutions.

The proposed reforms were part of a program proposed by Owens which is designed to meet the criticism leveled at the power industry during the past year.

Some New Money Arrives In City

Some Of New U. S. Currency Is Received At Local Bank

Uncle Sam's new paper money, which will be officially placed in circulation on July 10th, has been placed on display here at the First National Bank, four notes for sample purposes having been received by the bank yesterday.

The bills are of the denomination of one, two, five and ten dollars. The one dollar bill bears the portrait of Washington; the two dollar bill the portrait of Jefferson; the five dollar bill the portrait of Lincoln and the ten dollar bill the portrait of Hamilton.

The bills are displayed in a case on the desk in the center of the lobby and are attracting considerable attention.

When the new bills are put in circulation next month only a small supply will be received here. Cashier Joel S. McKee stated, the allotment of the First National Bank being but \$6,500 in the initial disbursement. Allotments will be continued to be received until the supply has been filled.

Some confusion is bound to result, as merchants and bank tellers will be forced to place the new bills in the same compartment with the old money and there will be grave danger of mistakes in making change.

The old currency will not be recalled, but will be retired gradually.

Ohio Provides More Money For Bonuses

New Castle Residents Who Enlisted In Ohio Eligible For Bonus Award

Word has been received by Executive Secretary Paul J. Dempsey of the Lawrence County Chapter, American Red Cross, that an additional sum of \$25,000 has been provided by the Ohio State legislature to pay claims for the Ohio State Soldiers' bonus, which are now on file.

It is expected that this amount will not only cover such claims as were already on file, prior to the action of the assembly, but will also provide a

small surplus to take care of bona fide new claims.

Any World war veteran, who enlisted in the state of Ohio and who had been a resident of that state for a year prior to enlistment, is entitled to this bonus. The sum paid out equals \$10 for each month of service, with a maximum of \$250 being provided.

Any New Castle resident, who enlisted in Ohio under the conditions specified and who can prove by affidavit that he was a resident there for the length of time specified is entitled to this bonus. Application can be made through Mr. Dempsey.

Special Services At Westfield Church

Pre-Communion Meetings To Begin This Evening And Continue Through The Week

Special pre-communion services will be conducted in the Westfield Presbyterian church beginning this evening at 8:15, D. S. T.

The pastor, Rev. Ross M. Haverfield, has arranged for a number of ministers of the community to assist him in this special series of meetings.

This evening Rev. Harrison Davidson of the Enon Valley Presbyterian church will speak. Wednesday evening Rev. E. B. Hannell of the Mt. Jackson United Presbyterian will bring the message. There will be no services on Thursday evening owing to the Sabbath school convention held at New Wilmington.

On Friday evening Rev. W. C. Ferrier, pastor of the Unity Presbyterian church, will preach. Rev. Joseph Varner of Petersburg, O., will preach Saturday afternoon at two o'clock. The communicant class will meet Wednesday evening after the service and with the elders Saturday afternoon after the service.

Communion will be observed Sunday morning at 10:30. Young people's choir will be a feature of the services each evening.

Postpone Decision In Contempt Case Over Driver War

(International News Service) PITTSBURGH, June 4.—Judge Richard W. Martin announced today that decision in the case of five alleged sympathizers with the strike now in effect against the Liberty Dairy Products Company, who are charged with contempt of court, would be postponed until tomorrow.

The men, Thomas McGreevy, Charles Arenberg, Paul Vandergrift, John Morgan and Eugene McCormick, are alleged to have violated an injunction against interfering with deliveries of the dairy concern and to have participated in a riot here which resulted in the killing of Michael Rockford last Tuesday.

Judge Martin stated the postponement was made in order to give defendant counsel another day to prepare arguments. At the same time he indicated that he believed the men to have been involved in the melee and said the only question to be determined is whether the men were aware that the injunction was outstanding.

LEGION TO HOLD BIG OPEN HOUSE

Fine Program Of Entertainment Will Be Provided At Meeting Friday Eve.

Preparations are being made for a big county-wide meeting of Legionnaires and World War Veterans at the Legion Home building on Friday evening, when the Perry S. Gaston Post No. 343, American Legion will hold "Open House."

Special invitation is issued to all World war veterans of the district to attend, and a fine program of entertainment is being prepared by Tom Edmunds and Dr. H. F. Rosen, chairman of the entertainment committee.

Members of the Enon Valley and Ellwood City posts have been invited to attend, and a feature will be a bridge and five-hundred tournament.

The meeting, which will precede the open house celebration will start promptly at 7:30, and the program will commence at 8:30.

Local Man Reported Missing By Brother

Samuel Gettings, R. D. No. 9, last evening asked the assistance of the police in locating his brother R. W. Gettings, aged 46, who has an office in this city.

According to the brother, the missing man left his home Monday morning about ten o'clock, stating that he would be gone but a few minutes and has not been seen since.

He is nervous and been in ill health for some time, police were told.

The keys of his automobile, a 1926 model, were found in his office but the machine, an Oldsmobile, is missing. He is described as being 46 years of age, five feet six inches in height, sandy complexion, weighs about 155 pounds and was wearing a blue suit, brown soft hat with a straight rim.

DYNAMITE TRUCK HITS STREET CAR

(International News Service) INDIANAPOLIS, Ind., June 4.—The heart of the business district of Indianapolis was threatened when a truck containing 1,000 pounds of dynamite collided with a street car, splitting 100 pounds of the explosive on the street at a downtown corner. Policemen, sighing with relief, ordered dynamite truck drivers to skip Indianapolis in the future.

Every nuisance might be worse. Suppose somebody should think of an "Ea. More Soinarb" week.

Insurgents Are Belligerent On Origins Clause

Those Opposed To President Hoover Feel Reasonably Sure Of Victory

SENATOR REED IS LEADING ATTACK

(International News Service) WASHINGTON, June 4.—The insurgent battle for repeal of the national origins clause of the 1924 immigration act was well underway today, with the forces opposing President Hoover claiming victory by a narrow margin.

A vote to discharge the senate immigration committee from consideration of the Nye resolution to repeal the clause is scheduled for tomorrow. The committee has pigeon-holed the repeal measure.

Senator Reed (R.) of Pennsylvania, leader of the fight to retain the national origins clause, which automatically goes into effect July 1 unless action is taken by the special session of congress claims he has the support of enough senators to defeat the Nye measure.

"All the national origins law attempts to do is to preserve our present racial balance," so far as this can be controlled by immigration restriction, to compromise with that issue is to invite destruction."

Senator Nye (R.) of North Dakota, on the other hand, today asserted that not to repeal the origins clause would be to cut off "the finest immigration stock" entering this country.

The national origins clause, would cut immigration quota totals from 164,647 yearly to 152,855. It would split Germany's quota nearly in half and almost double the number of immigrants allowed to enter this country from England and Northern Ireland.

Other countries which would gain by operation of the national origins clause are: Russia, Belgium, Greece, Hungary, Italy, Netherlands, and Yugoslavia.

Those which would lose by operation of the clause are: France, Australia, Austria, Denmark, Germany, Irish Free State, Norway and Sweden.

Women's Part In Politics Termed As Satisfactory

(International News Service) MECHANICSBURG, Pa., June 4.—"Women's part in politics has been most satisfactory," State Treasurer Edward Martin today told members of the graduating class of Irving college in making the principal address during the commencement exercises.

"Many men feared that when women secured the right of the ballot they would frequently be stampeded, and take positions on sentimental grounds rather than on merit," Martin, who is also Republican state chairman, said. "Where there has been an opportunity to study results, however, it has been found that men are more likely to vote on sentimental grounds than women. More so than men, women believe in justice, right and morality."

"The commanding position that women are assuming in American politics, and other lines of endeavor, is due in a great measure to their feminine charm as leaders of the home. This must continue. We want women to take their places as equals of men, but as their superiors."

DR. TAYLOR SPEAKS ON CERTIFIED MILK

Tells Of Process Of Production In Address Before Lions Club Today

Of the 6,500,000 farms throughout the United States and Canada but 226 are producing certified milk today, according to the facts and figures mentioned by Dr. Frederick Taylor of Pulaski in his address on "Certified Milk" at the weekly meeting of the New Castle Lions club at noon today.

Dr. Taylor explained the rules and regulations of certified milk production, and commented that "a man is not his own boss when he goes about to produce this type of milk." Strict requirements laid down by the government health departments must be abided by even in the smallest matter.

"Every cow on a certified milk farm is tested for tuberculosis twice each week; the barns and buildings must be kept in a most sanitary condition; the bedding and houses out side must be kept under the same cleanly conditions."

Dr. Taylor remarked that the milk is placed on ice 45 minutes after the milking, and must be in the hands of the consumer in 24 hours at least. Hand milking is used at the Taylor farm at Pulaski because they have learned that a lower bacteria count results when this method is used in preference to milking machines.

At the Taylor farm, milking is commenced at 4:30 a. m. and continues until 3:30 in the afternoon. Milk is shipped to New Castle, Youngstown, Beaver Falls and other points.

Dr. Taylor first established his farm, it was mentioned, about 18 years ago. Since that time the farm has become noted for the high grade quality of certified milk that is produced there. It now is regarded as one of the show places of Western Pennsylvania.

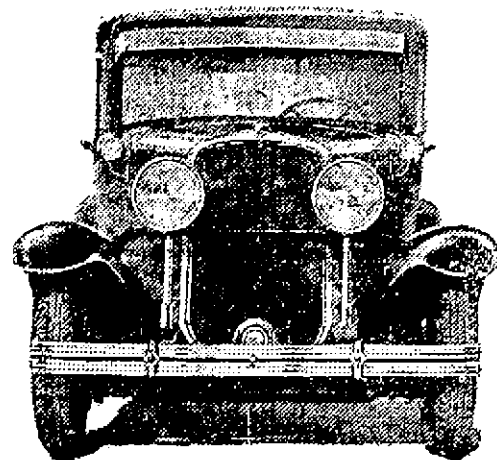

This Is Your Invitation to DRIVE the NEW Marquette SIX

Offered By Buick In the Medium Price Field

Marquette Performance

This week we are going to give everyone an opportunity to drive the New Marquette to acquaint them with the performance of this remarkable car. Imagine flashing from 10 to 60 miles an hour in 31 seconds! Think of accelerating from 5 to 25 miles an hour in high gear up a long 11.6% grade! (The average road grade is 7%).

Drive It This Week

Think of riding 68 to 70 honest miles an hour with complete safety and comfort. The New Marquette gives you the kind of pick-up and power and speed you need in a car nowadays. Now, we want you to prove this to your own satisfaction. There's no obligation on your part. Simply come down to our showrooms this week and ask to drive the New Marquette.

We Extend Our Hearty Appreciation to the Thousands Who Viewed the New Marquette!

The crowds that visited our showrooms Saturday and Sunday to witness the first showing of the New Marquette Six was very gratifying. It was indeed a pleasure to hear so many comments on the construction and appearance of this remarkable new car. Come in this week any time and drive the New Marquette—let it prove to you that it's right up to the notch in performance too.

Military Honors For H. F. Fenton In Oak Park Cemetery

Civil War Veteran Buried With Escort By Sons Of Veterans, Oscar Jackson Camp

Full military honors were accorded the late Homer Fletcher Fenton, veteran of the Civil War, and well-known resident of this community, by Oscar L. Jackson camp, Sons of Union Veterans, in Oak Park cemetery, where burial was made Monday afternoon.

Captain Frank Hill was in charge. S. H. Gilbert was chaplain and the firing squad was composed of Charles Schreiner, Clarence Grannis, Herman Gilbert and W. D. Parks. Fred Warner was bugler. The pallbearers were R. A. McClain, O. W. McClain, H. D. Morrison, W. W. Robinson, C. D. Grim and E. H. Grace.

Preceding the interment services were held in the First Christian church, of which Mr. Fenton was a member, in charge of Rev. W. W. Sniff, pastor of the Madison avenue Christian church. Comrades of Mr. Fenton and members of the G. A. R. attended. Those who were present from this organization included Matthew Alexander, D. W. Clark, Frank Cunningham, A. R. Kerr, John Patterson, Willis Davis, C. B. Hamilton, Philip Wagner, Andrew Jones, H. E. McGoun and David Needler.

Many friends and relatives were present at the service. A profusion of beautiful flowers showed sympathy.

Chinese And Soviet Relations Served

LONDON, June 4.—Diplomatic relations between China and the Soviet have apparently been severed because of the raids recently conducted by Chinese authorities on the Soviet consulate at Harbin, according to a dispatch from Peking to the Morning Post today.

The Chinese government, the dispatch states, has refused to recognize the protest forwarded by the Soviets regarding the affair, and as a result the Soviets have ordered the Chinese diplomatic representative at Moscow to leave at once.

Soviet representatives in China have likewise been requested to vacate the country within twenty-four hours, the message adds.

Hears Of Death Of Former Resident

The recent sudden death in Los Angeles, Cal., of his brother-in-law, Robert Crawford, a former resident of this city many years ago. While a resident here he was very active in Democratic politics and was for many years treasurer of R. M. Allen at the Allen Opera House, now the Capitol theatre.

He had a factory in Sacramento, Cal., for the manufacture and repair of automobile tops. He was visiting at the home of his brother James in Los Angeles when he died suddenly, and just after making plans to spend next winter at the same place. He also leaves a son.

No Zoning Appeals Before Board Today

No Meeting Of The Board Of Zoning Appeals Is Necessary

Due to the fact that no appeals were made to the board of zoning appeals during the past month, or hearing at the regular monthly meeting of the board, which happens to fall on today, there will be no meeting of the board in the city council chamber this afternoon. In spite of this fact, quite a number of permits were issued during the month of May, but all applications showed that the structures for which the permits were issued were conforming to the zoning regulations of the district in which they are being constructed.

Women Will Soon Have Control Of Congress?

Next 25 Years Will Find Feminine Congress Is Growing Prediction

Women Are Taking Big Part In Politics Of Nation; Make Good Sound Leaders

By WILLIAM S. NEAL
International News Service Staff Correspondent
WASHINGTON, June 4.—Feminine control of the house in 25 years! American women, keenly alive to their political responsibilities and vitally interested in their government, will move steadily forward in the arena of public affairs and in 25 years will either have more than 50 per cent of the membership of the house or representatives—or very close to it—Mrs. Ruth Hanna McCormick, Republican Congresswoman from Illinois, predicted today.

"They then would be in position to control the purse strings of the nation and dictate its legislative course. The prediction comes just after the British elections in which women candidates for parliament scored tremendous gains, and the commencement of a fight in Pennsylvania to

the approval of the women because they are learning to value their judgment.

"Women are very well adapted to politics and public life. They are conscientious and they are aggressive. Through the women's organization they are learning to become ready debaters and acquire mastery of the art of terse presentation of public questions.

Know Many Values
"I do not believe in considering sex differences in politics. Women should and must seek preferment and discharge the duties of public office as representatives of all."

Mrs. McCormick declines to agree with the frequent prediction that women's lack of knowledge of finance handicaps her in a government which deals in millions and billions. Women handle the purse strings of the home and know the value of money, she says.

Deer Again Roam Throughout County

Deer are again roaming in Lawrence county, according to reports from East Brook district, three having been seen by M. C. Browning, who lives at East Brook. According to Mr. Brown he saw three of them running north across the farms of Messrs. Stunkard, Black and Hawthorne. Early last week several deer were seen along the Shippery Rock river near the Elliott farm, according to Arnum Emery.

Murder-Suicide Best Theory In Jersey Tragedy

Young Couple Found On Bed Shot To Death, Families Believe It Murder And Suicide

(International News Service)
MOORESTOWN, N. J., June 4.—The mystery surrounding the fatal shooting of Horace Roberts, Jr., and Miss Ruth Wilson, members of wealthy and socially prominent families, in Miss Wilson's bedroom of her father's mansion, was cleared today.

After a long conference with John O. Wilson, capitalist and lawyer, and the father of Miss Wilson, Horace Roberts, Sr., father of the dead youth said that both families are now convinced it was a case of suicide and murder.

The elder Roberts had formerly intimated that both his son and Miss Wilson were shot to death by "a desperado," but he sorrowfully admitted today that he now believes his son shot the girl and then killed himself. There were three bullet wounds in the younger Wilson's head any one of which, according to the authorities, would have been fatal. The bodies were found lying on a bed.

Red Cross Honors Johnny Kraft

Is Awarded Certificate Of Appreciation For Life Saving Work Here

Word has been received by Pat J. Dempsey, executive secretary of the Lawrence county chapter, American Red Cross, that John Kraft of this city has been awarded a certificate of appreciation, who for three years has given his services in the activities of first aid and life saving service.

The honor is significant in that the presentation was made by the central committee of the National Red Cross, the highest governing committee of that body, which meets but once a year and brings honor and credit to the local chapter as well as Mr. Kraft.

The honor is conferred at the same time that life saving medals are conferred.

Presentation of the award will be made to Mr. Kraft on his return here after graduation at Columbia university this week.

Sealers Meet At Washington

(International News Service)
WASHINGTON, June 4.—Three hundred states and municipal officials from all sections of the United States registered today for the 22nd national conference on weights and measures at the bureau of standards.

Much attention will be devoted to the devising of ways and means for the greater protection of the purchasing public, on the basis of weight or measure. Owing to the increasing use of oil as a fuel, the conference planned to take up means of investigating short measure of this commodity.

Thursday will be devoted to weights and measures as they apply to the automotive industry. On that day the conference will be received at the White House by President Hoover.

Continue Fight To Reinstate Students At Pitt University

(International News Service)
PITTSBURGH, June 4.—With the assertion that the expulsion of Arthur G. McDowell and William Albertson, former students at the University of Pittsburgh, was "in utter disregard of the fundamental principles of justice," Attorney Henry Ellenbogen, counsel for the youths, launched a new phase of the students' campaign for reinstatement today.

Ellenbogen dispatched a letter to Dr. Samuel B. Lihart, secretary of the Pitt board, protesting against the barring of the students for their Liberal club activities.

Ellenbogen's protest follows the decision of Judge Ambrose B. Reid in refusing the injunction sought by the students against the university. Denying the injunction plea, the court pointed out that the demand had not been made on the Pitt board for reinstatement.

Bear Mother Battles To Save Her Cubs

(International News Service)
KANE, Pa., June 4.—The story of an encounter with a bear which fought to save her two cubs, and of striking a fawn deer with his automobile, all within a space of two miles here, was told today by Harry Weaver, retired Pennsylvania railroad engineer. Weaver brought home with him the wounded fawn and speaks of blood on the window of his car to bear out his story.

Weaver, with his German police dog, was returning from a fishing trip down the Kinzua valley about fourteen miles from here last night when the dog suddenly leaped out of the open window of the machine and started to attack a bear cub which was near the road.

Belgian Currency Problem Hinders Debt Settlement
Belgium Seeks 25,000,000 Marks Annually For 37 Years To Reimburse Country

(International News Service)
PARIS, June 4.—The allied creditor nations met today and decided to demand that Germany give a formal pledge she will settle the Belgian currency problem before the young reparation plan becomes effective, and that the Dawes plan shall continue in effect while the issue remains unsettled.

Delegates of the creditor nations announced that Germany would receive formal notification of their decision later in the day. In the meantime the reparation experts continued their search for a procedure which would permit the Belgians to sign a general accord on Friday, provided Germany gives formal pledge that the Belgian currency problem will be solved.

Belgium is demanding 25,000,000 marks annually from Germany for 37 years to reimburse the country for depreciated marks left behind when the Germans evacuated Belgium soil.

"It now appears that the marks issue will soon be settled, but it is like pulling a couple of my teeth," was a jocular comment made to International News Service by Emile Francqui, chief Belgian delegate to the Reparation Conference.

Miss Thelma Adams Becomes Bride Of Owen Treharne At Ceremony Saturday

Miss Thelma Adams, daughter of Mr. and Mrs. W. Adams of Second street, was married to Owen Treharne, son of Mr. R. Treharne, of Daguerre, Pa., at a pretty ceremony at the home of Rev. Dr. Charles E. Haines, pastor of the First Presbyterian church, at 4:30 o'clock. The couple will be attended by Ralph Adams, brother of the bride, as best man and Miss Mary Louise Davis, as maid-of-honor. Following the ceremony the couple will leave for Washington, D. C. and points east. Upon their return, they will be at home to their friends in Butler, where the groom is in business.

Whittaker-Bonnett Nuptials Saturday

ELLWOOD CITY, June 4.—The latest number of weddings here in some years, occurs this month with six marriages scheduled.

Adams-Treharne

Miss Thelma Adams, daughter of Mr. and Mrs. W. Adams of Second street, was married to Owen Treharne, son of Mr. R. Treharne, of Daguerre, Pa., at a pretty ceremony at the home of Rev. Dr. Charles E. Haines, pastor of the First Presbyterian church, at 4:30 o'clock. The couple will be attended by Ralph Adams, brother of the bride, as best man and Miss Mary Louise Davis, as maid-of-honor. Following the ceremony the couple will leave for Washington, D. C. and points east. Upon their return, they will be at home to their friends in Butler, where the groom is in business.

Whittaker-Bonnett

Miss Helen Whittaker, daughter of Mr. and Mrs. Harry Marshall Whittaker of Spring avenue will wed C. M. Bonnett of Baltimore Saturday evening at 6 o'clock. Twenty guests have been bidden to a ceremony at the home of the bride, Miss Dorothy Whittaker, a cousin from New Castle, and V. V. Bonnett, a younger brother of the groom, will act as best man. After the ceremony the couple will leave for Baltimore, from which point they expect to board a boat for Florida. Upon their return from the post-nuptial tour, they will reside in the Earl Court apartments 1301 St. Paul street, Baltimore.

Offutt-Stiefel

Two prominent pioneer families will be joined on June 26, when Miss Juliet Offutt, daughter of J. W. Offutt of Glen avenue becomes the bride of Carl Stiefel, son of Mr. and Mrs. R. C. Stiefel of the Pittsburgh Circle. The ceremony will take place in the First Presbyterian church with Rev. Robert Offutt, an uncle of the bride, officiating. The time is set for noon and will be followed by a reception at the home of the bride, Miss Mary Maxwell Offutt, Miss Juliet's younger sister will be maid-of-honor, and Walter Smith, close friend of the groom, will act as best man. The entire wedding party, best man, maid-of-honor, bridesmaids, and groomsmen, will be ready for publication, but several school friends of Miss Offutt will take part.

Scout Executives Plan For Camp

Quota Of Registrations For Camp Phillips Lower This Year Than Heretofore

ELLWOOD CITY, June 4.—There was a good representation of members of the County Scout council which met Monday evening in the Shelby club house.

Plans for the coming scout terms of camp at Camp Phillips were discussed, and the fact was viewed with dismay that the registrations are much less this year than ever before. It was thought by some of the members that the parents did not fully understand the purpose and advantages of the camp. The camp opens June 17, and parents and relatives are encouraged to visit and inspect the grounds.

Prof. Dwight Connor of the High school was interested to the extent, that he offers to pay all registration fees to boys who will furnish uniforms. There will be a meeting of the scout masters Wednesday evening in the Shelby club and efforts will be made at that time to get a larger number of scouts to register for the county scout camp.

The Story Of The World War
XXVI—The Epic Of The Marne (Concluded)

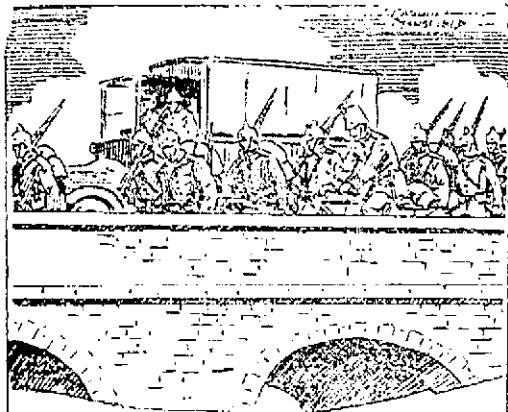

ON SEPTEMBER 9, 1914, THE BRITISH FOUGHT THEIR WAY THROUGH THE GAP IN THE GERMAN LINE WEST OF CHATEAU-THIERRY, BETWEEN VON KLUCK'S AND VON BÜLOW'S ARMIES, AND THREATENED TO ENVELOP THE GERMAN RIGHT WING. MEANWHILE, VON MOLTKE, GERMAN CHIEF COMMANDER IN THE WEST, HAD BECOME THOROUGHLY ALARMED.

FROM HIS HEADQUARTERS IN DISTANT LUXEMBURG HE SENT WORD TO VON BÜLOW TO RETREAT IF THE LATTER DEEMED IT ADVISABLE. VON MOLTKE'S AIDE BEARING THIS MESSAGE REACHED VON BÜLOW (SEPT. 9) JUST AS NEWS ARRIVED THAT THE BRITISH HAD BROKEN THROUGH THE GAP AND WERE CROSSING THE MARNE.

VON BÜLOW DECIDED TO RETREAT IMMEDIATELY TO SAVE HIS FLANK, AND VON KLUCK WAS ORDERED TO DO LIKEWISE. THE 1ST AND 2ND GERMAN ARMIES AT ONCE BEGAN ABANDONING THEIR POSITIONS AND FALLING BACK.

SEPTEMBER 10TH FOUND THESE TWO ARMIES RE-CROSSING THE MARNE AND RETREATING TO THE NORTH. THE RETIREMENT OF THE RIGHT WING WAS FOLLOWED BY A BACKWARD MOVEMENT ALL ALONG THE GERMAN LINE, EXTENDING AS FAR EAST AS VERDUN.

TOMORROW—THE GERMAN RETREAT TO THE AISNE.

FIRPO WINS OVER ITALIAN JOE GANS

BY RUBE GOLDBERG

Rohanna And Joe Feldman Box Draw

Fans Boo Rio-Sanders Decision; Rubinsky-Lichtenstein Fight Draw

PAUL BALINT STOPS O'LEARY IN FIRST

By ED BRITZ

The year old question "How good is Henry Firpo?" was answered today as Italian Joe Gans, heavy middleweight, and New York native, failed to score the knock-out in the fifth round but he did in the fourth. Firpo, who has been called "The Italian Boy," and Gans, who has been called "The Italian Boy," fought a hard battle, but Gans was unable to land a single blow on Firpo's head, but he failed to knock him out. The fight was a draw.

On the other hand Firpo kept Gans dancing on his feet and time and again smashed rights and lefts to the jaw. The Easterner landed new and then to the head and fought to the wind in the clinches. It was to the body that he made his best showing.

Firpo Taunts Gans
In the sixth round they stood toe to toe and slugged and in the seventh Firpo taunted the New Yorker. Joe tried to get by the long reach of Henry but couldn't. In the eighth Henry opened like a hose and sent over some blows that carried extraordinary steam.

Gans went to the body in the ninth but Firpo was clever and in this style and walked around Gans, shooting lefts and rights. He had Joe tired in the tenth but Gans never tried to escape but rather tried to keep pace with Firpo.

Firpo's height and reach stood him in excellent stead during the fight while Gans' agility built him up in an otherwise alternate than to strike for the head or set in close and pound the wind. He succeeded in this sometimes but Firpo was complete master.

The semi-final between George Rohanna and Joe Feldman, welterweights was fast. Neither tried to pull any clever stuff but whaled each other for six hard rounds and the decision was called a draw. There wasn't an idle hour.

Some of the fans did not like the decision given to Firpo. He over Lou Sanders. They believed a draw would have been better or a shade to Mr. Sanders. The judges lightweights fought like two bulls for six rounds and the fans got their money's worth.

Fought Every Second
The fight was characteristic of Rio and Sanders. At no time since they have been coming here have they failed to put up a good fight and owing to the split between the judges and the referee's decision it is probable they may return here at some future date.

Meyer Lieberman and Joe Rubinsky put on a four round fight that was full of action. It was called a draw. Rubinsky was fast in the first two rounds but Meyer cut him down in the last two and the decision went with appreciation.

The big surprise of the night came when Patsy Brannan's son, Paul Balint, bowled over Tom O'Leary, of the Jimmie Dunn stable in a round. O'Leary was dropped three times before the referee called the fight and the award was given to Balint.

Paul stepped from his corner and sent a right to the chin and O'Leary tried to put a left hook to the stomach. A right sent him down for nine. He got up at nine and was knocked through the ropes and took another nine.

Balint Works Fast
When he came back he got up the Slovaks hit the Irish and again and down went the real man. Patsy Balint stopped the fight as Tom was practically unconscious. The knock-out was stated as a big surprise and Tom challenged Balint for a return bout.

All of the sales were off the board and it presented an appearance. The men in the crowd but the fans were warned of the danger. There were no more fights that night and Firpo, a favorite with the fans as a fighter, the time when they paid to see.

The judges were Tommy Jones and Big Jim Dunn. The timekeeper was Pete Capitani and George Chio referred all bouts. Lennie Gans represented the boxing commission. But Jolly promoted the fight and a large crowd came to see the fight.

"Gorilla" Jones Beats Mello Again

(International News Service)
BOSTON, June 4.—If any question as to the superiority of Gorilla Jones over Al Mello existed after their first encounter in New York, all was dispelled today.

Jones, a colored boy from Akron, Ohio, outscored, outslugged, but not outboxed Mello, holder of both the welterweight and middleweight titles in New England and won by a technical knockout in the sixth round of their scheduled ten round encounter at the Garden last night.

A capacity house saw Jones hammer the pulse of Lowell to the mat in the fourth round for a nine count. Only in the last two rounds did Mello show anything like real form.

Paul stepped from his corner and sent a right to the chin and O'Leary tried to put a left hook to the stomach. A right sent him down for nine. He got up at nine and was knocked through the ropes and took another nine.

The Cardinals maintained their lead of a game and a half over the Pirates by taking a nine-inning contest from Brooklyn, 9 to 6.

The Giants' 6 to 1 victory over the Cubs was New York's eleventh win out of their last twelve starts, their fifth consecutive victory and their third straight over the Cubs, from whom they won only two games last year at Chicago.

"No-hitter" Hubbell had so much stuff that the three New York outfielders did not make a single putout or assist.

In the Giants win again today, they will take four place away from the Cubs. Yesterday's triumph put them back in the first division, Phillies dropping to fifth place.

Sam Gray pitched the Browns to a 6 to 4 victory over Washington and Cincinnati outslugged the Boston Braves, 12 to 3. The Cleveland Indians ran into a June snowstorm in Boston.

One of the state's chief problems, says a news story, is automobile accidents. That includes the accident of not being able to meet the payments.

Wells Pitches Two-Hit Game

Young Yankee Pitcher Holds Chicago White Sox To Two Hits On Monday

ATHLETICS SNAP UHLE'S STREAK

By LES CONKLIN
International News Service Staff

NEW YORK, June 4.—Rescued from the minors by the Yankees, Ed Wells, veteran southpaw of Ashland, Ohio, today enjoys a new lease on life.

Manager Huggins has been nursing dead pan Eddie along all spring, looking for a soft spot where the former Detroit hurler might negotiate a comeback. He found it yesterday against the Chicago White Sox. Wells shutting out the pale hose with two hits. Only 29 batters faced him and the game was played in the remarkably short time of an hour and twenty minutes, believed to be a record for the Yankees.

Gene Robertson cleared three doubles off Lyons, the first one sending in the only fall of the game. It was New York's third straight victory over the Sox.

Uhle Loses One

George Uhle's winning streak of nine victories was snapped in a thirteen-inning duel with Lefty Grove, ace of the Athletics. After failing the bases by issuing two intentional passes, the Detroit hurler was unable to get the ball over the plate for Bishop and forced in the run, the A's winning 8 to 2 for the sixth straight triumph.

Burleigh Grimes, Pittsburgh veteran, took up the good work where Uhle left off by beating the Philadelphia Phillies 14 to 2 for his ninth straight win. The Blues faced Swindell and Roy. The Blues laced Swindell and Roy for fifteen hits, totaling 27 bases. The Phils pulled a triple play in the fourth when Grimes lined to Thompson with two on base.

Cards Keep Lead

The Cardinals maintained their lead of a game and a half over the Pirates by taking a nine-inning contest from Brooklyn, 9 to 6.

The Giants' 6 to 1 victory over the Cubs was New York's eleventh win out of their last twelve starts, their fifth consecutive victory and their third straight over the Cubs, from whom they won only two games last year at Chicago.

"No-hitter" Hubbell had so much stuff that the three New York outfielders did not make a single putout or assist.

In the Giants win again today, they will take four place away from the Cubs. Yesterday's triumph put them back in the first division, Phillies dropping to fifth place.

Sam Gray pitched the Browns to a 6 to 4 victory over Washington and Cincinnati outslugged the Boston Braves, 12 to 3. The Cleveland Indians ran into a June snowstorm in Boston.

One of the state's chief problems, says a news story, is automobile accidents. That includes the accident of not being able to meet the payments.

Iowa Seeks To Be Reinstated

(International News Service)
CHICAGO, June 4.—Two University of Iowa representatives were here today to plead for reconsideration of the Big Ten's action ousting Iowa from the conference on proselyting charges.

The emissaries were Prof. E. H. Lauer, newly appointed director of physical education and athletics, and Prof. Louis Pelzer, secretary of the faculty committee.

They were to appear today before a committee composed of Prof. G. A. Goodenough of Illinois, Prof. Thomas E. French of Ohio State, and Prof. James P. McQuinn of Minnesota.

After listening to the Iowans the judges will submit a recommendation to the whole faculty committee on intercollegiate athletics. Reports were current that they probably would decide to let the ouster stand, but that Iowa meanwhile shall be considered to be on probation. The date for the election has been set for January 1, 1930.

The Iowa representatives were expected to base their plea on the university's pledge that henceforth athletics there are to be supervised by faculty members; that Edward Lauer and not George Bresnahan is going to be the athletic boss, and that Iowa will declare ineligible at once any athlete who is proved to be receiving unethical financial assistance.

Orcutt Favored In Golf Tourney

(International News Service)
NEWTON SQUARE, Pa., June 4.—As the second round of play in the Women's Eastern Golf Championship tourney began today, Miss Maureen Orcutt, New Jersey star, was strong favorite to retain the title she won last year.

She scored a scintillating 76 yesterday for the first 18 holes of the 54-hole medal test, five strokes under Miss Edith Quier, of Reading, Pa., and six below Mrs. D. C. Hurd of Philadelphia.

Cen. Presbyterians Trim Baptists 14-5

The Central Presbyterians remained a dangerous threat in the New Castle church league at the Crofton field on Monday night by toppling the First Baptists 14 to 5. The Presbyterians found the pitching of Kerr and Perry to their liking and banged out 15 hits. Uhle was the featured hitter with a pair of triples and a double. Kerr had an extra-base hit for the Baptists. Errors helped to defeat the Baptists.

What Ho, the Phillies Phlash!

By QUIN HALL

There is usually so much baseball chatter about Connie Mack and his Philadelphia Athletics, and the Philadelphia National League club has been so consistent in staying in the dust kicked up by the other clubs, that some folks have lost sight of the fact that there really is another club beside the A's in Philly.

Now seems to be a good time to correct that error. Under the leadership of Burt Shotton, the Phillies seem to have been kicking up some dust of their own in the early stages of this year's race. A lot of baseball experts are beginning to wonder if the Phillies will be the surprise team of 1929.

For a time the Boston Braves had the honor, but they weakened, and it was discovered that there wasn't much holding them up.

The Phillies, however, continued their march and, while some of the experts explained—or tried to explain—the showing by stressing the weakness of the other teams, the Phillies were really showing much strength.

Possibly the explanation lies in the fact that Mr. Shotton has a pretty fair ball club. Some of the boys ignore that item. The injury to Thewissen was a tough one for the Phillies to suffer right at the kick-off, but they seem to have hurdled that obstacle. With Claude Wiloughby pitching high-class ball the Phillies may get somewhere this year. They deserve a break. They have been down stairs long enough.

The Philly fans do not expect Shotton and his gang to win a pennant. If Burt can pull the Phils up to a point where they lead the second division, he'll be rather a miracle man around his own fireside—and even around one's own hearth that's something.

Not only does this finer Oldsmobile give you brilliant all-round performance—not only does it combine exceptional speed, power, and acceleration with stamina, long life, and economy of operation—but it is wonderfully restful to drive, no matter how long you remain at the wheel.

Come prove it yourself. Take an Oldsmobile for a trial drive. Make your own tests and comparisons.

Relax in the comfortable, deep-cushioned driver's seat. It is instantly adjustable to the most natural position for your height. The steering wheel, too, may be adjusted to suit your individual preference. Gear-shift, starter,

clutch, and brake are easy to reach and easy to operate. Instruments are conveniently arranged on the dash.

Drive through traffic. Note how Oldsmobile's flashing getaway and quick response to the controls simplify city driving—how fingertip steering and a short turning radius make parking easy, even in small spaces.

Try it on the open highway. Observe how Oldsmobile's smoothness, quietness, and splendid roadability permit restful relaxation at any speed. Test its swift, sure acceleration, its remarkable handling ease, its powerful four-wheel brakes. Drive over rough roads and see how four Lovejoy hydraulic shock absorbers cushion your ride.

Then, when you know what Oldsmobile can do, and how it does it, compare it with other cars. You'll find that Oldsmobile gives you every driving luxury—every desirable convenience—every provision for comfort. That's why it is so restful to drive. That's why it is unsurpassed in value at its low price.

In the Senior pole vault, the event was won by Messner, Raskowski was second, and Pollio was third. Height 7 feet. The Senior high jump final was won by McClurg, Cearfuss was second, and Rishel was third. Height 4 feet 8 inches.

Final score: Junior events, Eighth Grade 38; 7th Grade 11 points; 8th grade 10 points; senior events, 8th grade 41 points; 8th grade 25 points; 7th grade 3 points.

Sala Outpoints New Castle Boy

Joe Dinger of New Castle and Lee Sala of Donora, welterweights, fought a fast six round bout at the Bradock bowl last night. Dinger took the first part of the bout but was floored in one of the closing rounds. He got up, waded into Sala but was adjudged the loser because Sala closed fast in the last part of the fight.

Paul Hoffman who won over Mike McTigue, recently, will oppose the Italian heavyweight champion, Bertozola tonight at the Ravenwood Auditorium, Youngstown, in a 10 round bout. Bertozola won from Jim Maloney recently on a foul in a bout at Boston.

EDGAR A. GUEST
expressed a great truth when he wrote, "It takes a heap of linen in a home to make it a home". But he didn't go quite far enough. It takes some shrubs and flowers about a house to make it a home. At least to make it a home you will be proud of. The above house looks raw and unfinished. All it needs to be transferred into an attractive home is a few shade trees, some climbing roses or honeysuckle, a fountain of white spirea, and some of the gay quick blooming annual flowers.

You will find the Ads of reliable dealers listed in the classified columns. They will not only furnish plants and shrubs at reasonable prices but can offer suggestions as to the proper landscaping of your yard. Consult the classified Ads.

Anne And Lindy Still Elusive

Report Famous "We" Couple
Are Honeymooning On
Yacht Off Long
Island Sound

REPORTERS FOOLED AT AIRWAYS OFFICE

NEW YORK, June 4.—The "double eagle", Col. Charles A. Lindbergh and his bride, the former Anne Morrow, are still as elusive as the "Sea Gull" or the "Mouette", which is French for the sea-going bird, and the name of the 35-foot double cabin motor yacht aboard which they were reported "somewhere on Long Island Sound" or elsewhere.

That the Elex Motor Boat Company refused to deny that the flying colonel had purchased the Moutte from them lent some credence to the fact that Lindy came ashore at Block Island after "gas, oil and ginger ale" yesterday.

"We are unable to say anything about the matter" was the response at the boat company's office.

The fact that a meeting of the technical board of the Pan-American Airways Inc., was scheduled late yesterday afternoon and that the colonel is chairman of this board brought scores of reporters on the run—but Lindy didn't show.

Yacht Sighted
Woods Hole, Mass., June 4.—A motor yacht believed to be the Moutte, owned by Colonel Charles A. Lindbergh, was sighted a mile off shore today by a coastguardman at the Woods Hole base.

The Moutte is the 35-foot cabin in which "the Lone Eagle" and his bride, the former Miss Anne Morrow, were reported aboard on their honeymoon.

The next time Government decides to "get" an old man, it should try him for spitting on the floor.

Aiken School Poster Exhibit Attractive

Occasions Favorable Comment
At Annual Parent's Day
Program At School

Something which occasioned much interest and favorable comment among the visitors who viewed the exhibition at the recent Parent's Day, program at the W. N. Aiken school, Pearson street was the art room of the fourth, fifth and sixth grades, taught by Miss Alice Schu.

The work of the year was displayed along the wall of the room and scores of parents and visitors viewed the attractive display. All of the work was planned and carried out by the children of the three grades, numbering nearly 175 in all.

All kinds of poster exhibits bearing health messages and other things were among those shown to the parents. Besides, art, Miss Schu teaches English, nature study and spelling.

VASSAR GIRLS SHOCK FACULTY

Ankle Socks And No Stockings
New Fad; Blame Bicycle
Riding

POUGHKEEPSIE, N. Y., June 4.—Vassar College students are now fashioning smart sports shoes, brilliant ankle length socks, and snappily tanned limbs, au naturel, before the astonished eyes of the shocked faculty.

The girls explain it this way: "It's because of the bicycles. We have to use them to cover the distance between the buildings or be late to classes. Bicycles have been a great help, useful and all that, but bikes inevitably start runs in stockings. So it became a question, bikes or stockings. Naturally we chose the bikes."

sionary Alliance

Rev. Milton J. Scripture, pastor of the Hoover Heights Tabernacle, and Rev. E. C. Anderson of the Alliance Gospel Tabernacle of the Christian and Missionary Alliance, his wife and daughter, Miss Edwina, will leave Wednesday morning for the Beulah Beach Bible training school on Lake Erie, where they will attend the annual national council of the Christian and Missionary Alliance churches of the United States.

The meeting, which is one of the largest and most important during the year, will be represented by many ministers throughout the United States and missionaries from many parts of the world.

Rev. H. M. Schmun, a former pastor of the Pearson street church of this city, is president of the council and will preside during the meeting.

The convention will open Wednesday evening and continue until June 12. Rev. Henry Roe of Lancaster, Pa., and M. Herr of Butler will be guests of Rev. and Mrs. Scripture this evening and will accompany the party from this city tomorrow.

Valuation To Be
Placed On Books
In Two Districts

County Superintendent of Schools, John C. Syling, had a job on his hands making up the valuation of school books, which were formerly owned by Wayne township. When the newly formed board of Ellipton was incorporated, a separate school district was formed. It now becomes necessary to place a valuation on all the school books that are to be retained by Wayne township and those which are to go to Ellipton borough.

A committee was appointed by the respective school boards for this work.

Supt. Syling met with the committee at Ellipton last night and after some discussion it was agreed that he place a valuation on the books.

Wellesley Girl
Takes Own Life

WELLESLEY, Mass., June 4.—Louise F. McBride, a Wellesley sophomore from Weston, W. Va., committed suicide by taking poison in her room in Freeman Hall.

Dr. Frederic A. Stanwood, medical examiner for the town of Wellesley reported a finding of suicide.

According to the medical examiner she had been of a depressed disposition although in good health. Examinations started at the college this morning and the girl may have been working over these. College authorities reported her standing was excellent.

Four-Story Leap Kills Woman At Apartment

Wife Runs To Window After
Mother Steps From
Room

CLEVELAND, June 4.—While small children were playing yesterday on the lawn and sidewalks around an apartment house at 1306 Holmden avenue S. W., and placid housewives were about their morning cleaning, Mrs. Ethel Bender, 32, leaped to her death from a window on the fourth floor corridor to a concrete court 50 feet below.

Frank Taggart, a resident there, saw her body fall and called police of the Althen-W. 25th precinct. Mrs. Bender died at City hospital an hour later.

Mrs. Bender and her mother, Mrs. Laura Savage, who lived with her, were cleaning the front room of their small third floor apartment when Mrs. Savage went to the kitchen.

"I'll be back in a minute," she called to her daughter as she stepped from the room, she told police.

Children Scream
Mrs. Savage was in the kitchen a few minutes. When she returned to the front room her daughter was gone. A moment later she heard children screaming in the street below.

"She'd been sick for two or three weeks, but she seemed all right. She never said she'd do a thing like this," Mrs. Savage said.

Mrs. Bender was seen running from her apartment, neighbors told police, up the stairs to the fourth floor. There they heard her walk hurriedly

down the corridor to the rear of the building.

An instant after the footsteps stopped they too heard the scream from below.

Mrs. Bender is survived by her husband, J. C. Bender.

Deeds Must Contain
Residence Location

New Act Of Legislature Provides
Grantee Must Attach
Certificate

According to a recent act of the legislature, a copy of which has been posted by Register and Recorder Jeannette Hutton, all deeds hereafter given must contain a certificate setting forth the exact residence of the grantee.

The register and recorder, at stated intervals, must furnish to the board of tax revision, a list of the grantees to whom deeds have been issued.

The object of this is to enable assessors to properly assess the property. Heretofore it has some times been hard to find land transferred, and frequently live outside the county.

Card Of Thanks

We desire to thank the friends and neighbors for their kindness and sympathy extended during my recent bereavement; also for the beautiful floral tributes and for cars donated.

Another hypothesis which is fairly amusing in its own lugubrious way is the opening remark, "Now that we have got rid of the saloon."

Pennsy Women To Attend Convention

Going To Cleveland Fete Of
Lake Division Women's
Aid Tomorrow

Special coaches will be provided the local members of the Pennsylvania railroad's Women's Aid for their trip to Cleveland tomorrow, where they will attend a special luncheon for the entire Lake Grand division being sponsored by Mrs. P. L. Grove, general superintendent of the Aid.

The train carrying the special coaches will depart from the west side depot of the Pennsylvania at 9:55 a. m., eastern standard time, and from the Cherry street station, Mahoningtown, at 10 a. m.

The luncheon will take place in the

Hotel Statler at one o'clock. It has been several years since an affair of this nature has been given on the Lake division and from the enthusiasm engendered the attendance will be large. It is estimated that at least 500 women will enjoy the social event.

Returning to New Castle the special coaches of the Pennsylvania will be attached to a train leaving Cleveland at 8:20 p. m., eastern standard time, arriving here late in the evening.

Mrs. Raymond Swenk, superintendent of the Erie and Ashtabula division will lead the local delegation. Accompanying will be her staff and a large number of the members.
